HUD SECTION 3 COMPLIANCE CERTIFICATION

Must be signed by prime contractor and all subcontractors prior to issuance of notice to proceed

The contract for this work will include the following clause (referred to as the HUD Section 3 clause):

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. Consistent with 24 CFR §135.72(b), the City of Long Beach shall refrain from entering into a contract with any contractor after notification is received from HUD that the contractor has been found in violation of the Section 3 regulations. The City will also review past performance of contractors on Section 3 projects in determining contract awards. It is mandatory that all contractors seeking to be awarded a City of Long Beach Section 3 covered project attend the pre-bid conference.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. The contractor understands that non-compliance and willful violation of HUD's regulations in 24 CFR part 135 with respect to Section 3 and related regulations by itself, its sub-contractors and or lower tier contractors will result in corrective measures taken by the City of Long Beach to achieve compliance, including suspension or withholding of contractor payments.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7 (b) of the Indian Self Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7 (b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment subcontracts shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7 (b) agree to the comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7 (b)
