CITY OF LONG BEACH GREEN BUSINESS RECOGNITION PROGRAM APPLICATION

The goal of the Long Beach Green Business Program is to create a more sustainable business community and develop a market for green products and services locally. This recognition program is designed to recognize Long Beach businesses that have committed to reduce their environmental impact, increase efficiency and promote conservation.

About The Green Business Recognition Program:

To be considered for recognition, you must be a Long Beach business demonstrating green business practices in each of the following areas:

Waste Reduction & Recycling

Alternative Transportation

Green Purchasing

Water Conservation & Pollution Prevention

Energy Efficiency &
Conservation

Staff Training & Public Awareness

Recognized businesses will be announced monthly through:

1. A City press release recognizing selected Long Beach Green Businesses
2. Your business' biography and best practices posted on www.sustainablelb.com
3. Your business recognized at a Sustainable City Commission meeting

To Apply:

1. Complete Application Cover Page & Questionnaire
2. Submit electronically by emailing completed forms to greenbiz@longbeach.gov
3. Applicants will be notified if selected to be recognized as a Long Beach Green Business

For information about the Green Business Recognition Program, contact:
