Mission Statement

Yellow 108 is a Los Angeles based headwear company that specializes in sustainable hats and accessories made from salvaged and recycled materials. Utilizing materials that are waste from eco textile factories enables us to create a product that is truly unique and a "Limited Edition" from season to season while assisting our factories in minimizing waste and increasing recycling. Yellow 108 donates 2% of all sales to local Los Angeles non profits specializing in social responsible initiatives.

What makes Inkpeace a Recognized Green Business

Yellow 108 demonstrates green business practices in all of the six areas required in the Long Beach Green Business Recognition program.

- Products made from recycled or salvaged Eco textiles
- Uses electronic billing methods
- Recycle many materials including metal, plastic and low volatile organic ink

- Save energy by shutting down computers and use stand by mode
- Turn off electronic devices when not in use

- Follows the City's water prohibition

- Use paper with at least 30% post-consumer waste
- Purchasing eco friendly cleaning products
- Purchase products from local, green vendors

- Promoting smarter transportation by encouraging staff members and customers to walk as opposed to driving
- Implement employee ride/bike share program
- Use alternate fuel vehicles

- Hosting free creative reuse workshops for residents and community members
- Participate in local green events, such as the Green Long Beach Festival
- Incorporating a message of green living into the mission of the green business
