RESOLUTION NO. RES-17-0076

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LONG BEACH ESTABLISHING A HISTORIC RESOURCES DESIGNATION FOR THE BUILDING LOCATED AT 501 EAST BROADWAY, AS PRESCRIBED BY CHAPTER 2.63 OF THE LONG BEACH MUNICIPAL CODE TO BE RECORDED PURSUANT TO THE AUTHORITY OF GOVERNMENT CODE SECTION 27288.2 AND PUBLIC RESOURCES CODE SECTION 5029

The City Council of the City of Long Beach does hereby resolve as follows:

Section 1. This Resolution is adopted pursuant to the authority and mandate of California Public Resources Code Section 5029 in order to provide recorded notice to current and future owners of the affected properties that such properties have been designated as historical landmarks.

Section 2. As a local historic landmark, the demolition, alteration, or relocation is restricted, subject to controls and standards set forth in this resolution and in Chapter 2.63 of the Long Beach Municipal Code, as may be amended from time to time.

1 recommendation of the Cultural Heritage Commission, the City Council of the City of
2 Long Beach hereby designates the property located at 501 East Broadway as a historic
3 landmark based on satisfying significance criteria A and C, as defined in the City's
4 Cultural Heritage Commission Ordinance (Long Beach Municipal Code, Section
5 2.63.050). The designation of 501 East Broadway as a local historic landmark has been
6 codified in Section 16.52.2230 of the Long Beach Municipal Code.

7 A. The Metropolitan Apartments building was originally
8 constructed in 1922. The mixed-use building has been used as both a hotel
9 and apartment building on the upper floors and ground floor commercial
10 over the building's lifetime. City records indicate the structure was originally
11 designed in a Spanish style, but the original building architect could not be
12 determined. The building's current Streamline Moderne façade was
13 designed by noted local architect W. Horace Austin after the building
14 suffered damage in the 1933 Long Beach earthquake. The building is
15 significant under Criteria A for its association with an important event in
16 local history which resulted in a period of reconstruction throughout the City
17 after the Long Beach earthquake. The building is also eligible under
18 Criteria C as an excellent example of the Streamline Moderne style. The
19 building embodies many of the distinctive characteristics associated with
20 the Streamline Moderne style. The structure retains a high level of integrity
21 and maintains several original building including the original bays, many of
22 the original windows, speed-inspired horizontal banding, curved bullnose,
23 the original fire escape, and the original spire. This building will be referred
24 to as the "Metropolitan Apartments Building" if approved.

25 B. Rational for historic landmark designation. The City Council
26 finds that relative to the designation of the subject building located at 501
27 East Broadway as a historic landmark, the following criteria are manifested
28 as set forth in the Long Beach Municipal Code Section 2.63.050 based

1 upon the following:

2 A. It is associated with events that have made a significant
3 contribution to the broad patterns of the City's history.

4 C. It embodies the distinctive characteristics of a type,
5 period, or method of construction, or it represents the work of a master or it
6 possesses high artistic values.

7 Section 5. General guidelines and standards for any changes.

8 A. Any maintenance, repair, stabilization, rehabilitation,
9 restoration, preservation, conservation, or reconstruction work proposed for
10 the building shall be conducted in a manner consistent with the "Secretary
11 of the Interior's Standards for the Treatment of Historic Properties with
12 Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing
13 Historic Buildings" (1995), by Weeks and Grimmer, as amended, as well as
14 the "Procedures for Certificate of Appropriateness" (the "Standards") found
15 in Section 2.63.080 of the Long Beach Municipal Code.

16 B. The Standards are incorporated herein by this reference and
17 shall be used as the authoritative guidelines for reviewing and approving
18 any proposed exterior work on the building.

19 C. The provisions of this Resolution shall regulate the building's
20 exterior walls and other external features. There shall be no restrictions on
21 the building's interior.

22 D. Original historic fabric on the exterior of the building shall be
23 executed in a matter that does not materially impair in an adverse manner
24 those physical characteristics of the structure that account for its
25 designation as a City landmark. Any such work must be done in keeping
26 with the building's historic character, period, and architectural style.

27 E. No exterior changes to the building shall be allowed unless an
28 approved Certificate of Appropriateness has been applied for by an
