ORDINANCE NO. ORD-17-0026

AN ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF LONG BEACH AMENDING THE LONG BEACH
MUNICIPAL CODE BY ADDING SECTION 5.90.300
RELATED TO THE IMPLEMENTATION OF THE STATE'S
MEDICAL AND ADULT-USE CANNABIS REGULATION AND
SAFETY ACT

WHEREAS, in 2015, the Governor signed into law the Medical Cannabis
Regulation and Safety Act ("MCRSA"), which established the State's regulatory
framework for the medical cannabis industry; and

WHEREAS, in 2016, the Control, Regulate and Tax Adult Use of Marijuana
Act ("AUMA"), a voter initiative to legalize recreational marijuana and eventually license
and regulate recreational marijuana businesses in California, passed and became law;
and

WHEREAS, on June 27, 2017, the Governor signed into law the Medicinal
and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), which repealed
MCRSA and included certain provisions of MCRSA in the licensing provisions of AUMA;
and

WHEREAS, Chapter 5.90, "Medical Marijuana Businesses", of the Long
Beach Municipal Code ("LBMC"), the result of a voter initiative, went into effect on
December 23, 2016, and allows, in certain specified circumstances, for the operation and
regulation of medical marijuana businesses, including dispensaries, cultivation,
manufacturing, distribution, and testing, in the City of Long Beach; and

WHEREAS, Chapter 5.90 requires a medical marijuana business to be
issued a City of Long Beach Business License prior to operation, in addition to other
requirements such as issuance of a state license under MCRSA, when available; and

1 WHEREAS, since Chapter 5.90 references the former law MCRSA and its
2 provisions, the City must implement clean-up language to remain consistent and in
3 compliance with MAUCRSA; and

4 WHEREAS, MAUCRSA also establishes day care center and youth center
5 buffers for medical marijuana businesses that were not mandated under MCRSA or
6 Chapter 5.90 of the LBMC; specifically, no marijuana business may be located within a
7 600-foot radius of a day care center or youth center that is in existence at the time the
8 State license is issued, unless a licensing authority or a local jurisdiction specifies a
9 different radius; and

10 WHEREAS, MAUCRSA provides a clear definition for “day care center”
11 under Section 1596.76 of the Health and Safety Code and such establishments are easily
12 trackable; and

13 WHEREAS, MAUCRSA’s definition for “youth center” is provided in Section
14 11353.1 of the Health and Safety Code, a definition which is unclear and open-ended,
15 leaving “youth centers” burdensome to define and track; and

16 WHEREAS, due to the lack of clarity regarding “youth centers”, the City
17 seeks to set a 0-foot buffer for “youth centers” for medical marijuana businesses pursuant
18 to its authority under MAUCRSA; and

19 WHEREAS, the City further seeks to implement the State’s 600-foot buffer
20 for “day care centers” for medical marijuana businesses; however, to avoid undue burden
21 on medical marijuana business license applicants already involved in or planning to be
22 involved in the licensing process established under LBMC Chapter 5.90, the City wishes
23 to set an effective date of January 1, 2018, for said buffer, exempting all applicants that
24 have submitted applications prior to such date;
