Subject: KLOS Pet Adoption Day – June 6, 2015

The City of Long Beach has a goal of adopting, rehabilitating and reuniting as many animals as possible. One critical element for promoting adoptions is the City's partnership with the Society for the Prevention of Cruelty to Animals Los Angeles (spcaLA), and the annual KLOS pet adoption event that will take place June 6, 2015 from 10:00 AM – 4:00 PM.

KLOS radio hosts Heidi and Frank will again be present to promote adoptions of cats and dogs (expected to reach into the hundreds for the day). Also joining the event this year for the first time are Jillian Barberie and John Phillips from 790 KABC talk radio. To promote responsible pet ownership, the City of Long Beach Animal Care Services (ACS) will also be on hand for licensing.

The KLOS Pet Adoption event will take place at the spcaLA P.D. Pitchford Companion Animal Village, located at the Animal Care Services Bureau at 7700 E. Spring Street in Long Beach. Special parking arrangements and shuttle service will be provided. No reservations are necessary.
