

Naples Island Permanent Seawall Repair, Phase II

August 17, 2016 | 6:00 PM–7:00 PM
Community Open House

Location: Naples Island Colonnade
in the Park between The Colonnade Canal
and Rivo Alto Canal

Join your community and learn about the design process for Phase II of the Naples Island Seawall Project.

The Open House will provide an overview of the design needs and process for the project. You will be asked to identify any existing constraints, ask questions to the design team, and provide input to improve the process and results of the project.
