#	OTHER (PLEASE SPECIFY)	DATE
1	Make it safer	10/24/2017 1:18 PM
2	Better security on Blue Line trains	9/28/2017 8:04 AM
3	Lower density, control of wild animals, lower crime & taxes(esp. sales)	9/27/2017 11:09 PM
4	No high density. We have enough people living in Long Beach.	9/27/2017 8:07 PM
5	Increased use of green infrastructure (shade trees, living roofs and walls, permeable pavements for stormwater capture, increased energy efficency & local energy production from renewable sources, etc)	9/27/2017 7:19 PM
6	Proactive measures used to protect citizens and their pets from wild animals (coyotes, bobcats, mountain lions, etc). No coexistance!	9/27/2017 6:10 PM
7	Tell me how you are going to deal with COYOTES FIRST!	9/27/2017 4:29 PM
8	Safer neighborhoods. No more housing. You think population will grow, yet you dont realize how many baby boomers are leaving this city and state. It's overtaxed, no business friendly and much, much too liberal for most of us over 50 years.	9/27/2017 4:13 PM
9	Separating apartments from single family homes in the neighborhoods.	9/27/2017 3:54 PM
10	Concrete plan to address homelessness; building & zoning which REQUIRE adequate parking; high density development ONLY in EXISTING high density areas.	9/27/2017 3:31 PM
11	More patrols to discourage criminal activity	9/27/2017 3:31 PM
12	Diversity, which includes making housing workable for all families in the economic spectrum.	9/27/2017 3:01 PM

14	Reduced crime and blight; redevelop central, west, north LB	9/27/2017 9:15 AM
15	more parking availability	9/26/2017 8:06 AM
16	Residential permitted parking in impacted areas is a must. allow guest permit passes to be printed	9/25/2017 11:05 AM
17	Continued gender, race, sex, ethnic, and cultural diversity. This is an important aspect of LB that needs to remain to continue to make the city appealing	9/25/2017 9:16 AM
18	Lower taxes, better public services.	9/24/2017 8:54 PM
19	More low-income housing and rent control! We are being pushed out of the city!	9/24/2017 5:51 PM
20	EQUITABLE distribution of resouces	9/24/2017 12:50 PM
21	Diversity means having areas with high urban density and others with low suburban density, don't impose your misguided vision of an urban Utopia on the residents who bought their homes on a side of town that represented their values, the east side in D4/D5 already has a shortage of housing - a shortage of single family homes in quiet suburban neighborhoods - and urbanizing it would only increase that shortage (stretch but accurate and based on much less twisted logic than that used by LBDS/LB politicians that increasing density while restricting parking will somehow enhance an area economically and environmentally by creating jobs specifically for them that they want and creating a newfound desire for them to use bikes or public transportation, even when confronted with the problems we're still dealing with in central LB due to this same "vision" by developers and naiive city planners and politicians 35 years ago). You will have serious problems if you push this agenda too hard and win.	9/24/2017 11:35 AM
22	Clean City. No trash. With more people the Ciry must increase its maintenance and work force. The City is too top heavy!	9/24/2017 9:58 AM
23	Affordable housing in the good neighborhoods for residents on modest incomes	9/24/2017 1:31 AM

27	More parking	9/23/2017 1:33 PM
28	Housing we can afford. Rents need to come down.	9/23/2017 1:25 PM
29	better citywide planning for both people and cars, planned parking, better environmental choices, less poorly planned density like DT plan (sucks)	9/23/2017 11:20 AM
30	PARKING	9/23/2017 11:14 AM
31	Available parking and rents that reflect the actual income rate of residents.	9/23/2017 10:40 AM
32	More affordable housing - (not just Section 8)	9/23/2017 10:10 AM
33	Parking! New constrution MUST include adequate parking (at least 2 spaces per housing unit...more than 2 for units with more than one bedroom)	9/23/2017 9:14 AM
34	PARKING. Stop cutting down parking while people need cars.	9/23/2017 8:30 AM
35	respect for the existing "planned" suburbs and NEVER go to HIGH DENSITY living. It will destroy the quality of goods and services and our wonderful community! Respect the "values" that are already in demand. ELB is highly desirable as is! Why would you want to destroy our neighborhoods? Take our "parks", our local conveniences? Add thousands of units and people and cars with no place to be? That's insane! NO THANKS!	9/22/2017 8:37 PM
36	Clean environment/air and litter free	9/22/2017 7:47 PM

10	Beach because it's open and not crowded	9/28/2017 1:10 PM
11	Silverado Park, it resembles what Long Beach has been for a long time. It's far away enough from Downtown Long Beach where it's not as chaotic and populated.	9/28/2017 11:02 AM
12	El Dorado park because it is a beautiful and restful place to enjoy nature and the open undisturbed land that California once was. We also enjoy exercising (walking and riding our bikes) in the grand outdoors.	9/28/2017 10:59 AM
13	Downtown because there are interesting places and restaurants to go to.	9/28/2017 10:39 AM
14	My neighborhood. Peaceful most of the time	9/28/2017 10:36 AM
15	That's really hard to choose, since I have lived here my entire life... Downtown, which is where I live now, is pretty great. The Promenade, The Pike, Pine Ave, Linden Ave and the East Village.. Just wish there were less homeless and mentally ill every time I went out.	9/28/2017 10:31 AM
16	Bluff Park	9/28/2017 9:16 AM
17	My neighborhood (Rose Park South), Retro Row and downtown. All are walkable, close to the beach and lively--lots of community activation with events and great independently/locally owned businesses that really care about the city.	9/28/2017 8:48 AM
18	The beach path - full of people at most hours, dedicated to walking, running, and biking without having to dodge car traffic, beautiful views and cool sea breezes, good access to businesses like Belmont Brewing, Vons, Belmont Shore.	9/28/2017 8:04 AM

22	3rd & 4th street for the night scene/bars	9/27/2017 9:35 PM
23	My neighborhood because I own my home and have lived here for 27 years. It is peaceful and quiet, it will be ruined if High Density construction is forced upon us. It is not fair to we who are permanently vested in the community to overpopulate our neighborhoods.	9/27/2017 8:07 PM
24	Park Estates for it's tranquil nature. It is beautiful, quiet, and safe.	9/27/2017 7:26 PM

26	My home, because I'm able to make various fairly small changes that make it substantially cheaper and more comfortable to live in, while also helping to make it more resilient to climate change. Through my home I am able to enact the change I hope to see spread throughout the city	9/27/2017 7:19 PM

30	My Home	9/27/2017 6:07 PM
31	I love the Los Altos area because it is like the suburban neighborhood I grew up in in the Chicago area. I love having easy access to everything the city offers with a 15 minute drive to downtown, but I still enjoy the peace and quiet of a single family home residential area.	9/27/2017 5:40 PM
32	I like second street. I used to live down there for many years. I have lived in long beach most of my life. I was born here. moved back for HS . stayed here when I was starting out my career and moved to various areas in this city.	9/27/2017 4:29 PM

42	After living here for 11 years, I love Long Beach overall but I love hanging out in Bixby Knolls. It is my favorite place in my city because it is where I learned how to play baseball and soccer with my dad and brother and got my first taste of manual labor with little remuneration for it when I had to take over the yard maintenance while not quite strong enough to effectively get 1970's equipment around the soft grass.	9/24/2017 11:35 AM

103	Retro Row on 4th Street, because it means my neighborhood has just about everything I need to be happy right around the corner from where I live.	9/23/2017 1:25 PM
104	Shoreline Village because it's pretty and entertaining	9/23/2017 1:03 PM
105	My neighborhood here in Stratford Square where we have worked hard to buy our houses and maintain the quiet, quaint, peaceful, clean life that we have. When you work hard for something and have earned it, like our homes and life here, you take care of it and nurture it because you have helped to create it. I love the feel of our neighborhood and the quiet, peaceful feeling of Stratford Square. I love the local establishments such as Starbucks, Cal Worthington, Lowes, etc. We need to maintain the "look and feel" of this neighborhood. We bought this home for the neighborhood and schools and the way it is zoned and "running" now. Had we known you were trying to flip Long Beach on its head, we would have bought in Los Alamitos, Cypress, or Seal Beach. If you go forward with this plan, you will lose hundreds, if not thousands of middle-class professionals and their contributions to the city.	9/23/2017 12:56 PM
106	My Downtown home. Becsuse it"s close to everything I like.	9/23/2017 12:40 PM
107	It used to be DTLB but the downtown plan is ruining it - no more retail in DTLB, only restaurants and bars, no parking in DTLB, just poorly planned density - city sucks in this regard	9/23/2017 11:20 AM
108	My garage, because I can park my car.	9/23/2017 11:14 AM
109	The beach. Because it's the beach.	9/23/2017 11:07 AM
110	Eldorado Nature Center.... It is the only place nearby where we and our children can get away from the city and be in nature.	9/23/2017 10:43 AM
111	Where the waves break on the shore of any stretch of the beach because it's peaceful.	9/23/2017 10:40 AM

113	downtown	9/23/2017 10:10 AM
114	Aquarium because it is beautiful and relaxing.	9/23/2017 9:57 AM

115	Downtown because I can walk there from my home. I don't like going anywhere else because I don't want to lose my parking spot when I leave home...it is too difficult to find a new spot!	9/23/2017 9:14 AM
116	Right now I'm considering giving up my beautiful view of LB to get a parking space.	9/23/2017 8:30 AM
117	El Dorado Park. Trees, grass, duck pond, open space help air quality, lower ground temperature and add serenity to the neighborhood.	9/23/2017 8:19 AM
118	Churches because they offer different programs, trips and help for community members	9/23/2017 7:34 AM
119	Studebaker Park. Outdoor activities that are available to every member of the fanily	9/23/2017 6:04 AM
120	Our neighborhood by El Dorado Park because I feel safe here and my kids are close to their schools. We moved here for that reason.	9/22/2017 11:31 PM
121	We've lived here all our lives. We love our home! My husband grew up in our house. Family owned since 1953! It is a great neighborhood. Family oriented, lots of "pride in ownership" and values have most certainly skyrocketed . We love the ocean and Alamitos Bay as our favorite away from home local spot. Why? Because it is OPEN, FREE FEELING, water is therapy! It's a commune with NATURE! We are the closest to the ocean that we can afford. We worked hard over many years to acquire all we have accomplished with our home. We are highly invested here and can see NO positives to the NEW concepts for HIGH DENSITY with little or no parking provided. What "thinking" individual would want to add hundreds of people to the same neighborhood that is already heavily trafficed and is VERY DIFFICULT already for our L.B. POLICE to service. Too many negatives! Also, due to the many years of urban sprawl in all of So. Calif.....going to bike riding as a REGULAR means of transportation is completely unrealistic! So...trying to NOT Plan for vehicles is insane ! Marin is a classic example of how this HIGH DENSITY has created a nightmare in their commute! PLEASE DON'T LET THIS HAPPEN HERE!!!!! 126	Quiet tree-lined neighborhoods.	9/22/2017 7:24 PM
127	I love my neighborhood of Alamitos Beach, and I love going downtown. Downtown, we want *more* density—that's why it's a downtown. Getting all of the empty lots filled up with buildings is fantastic.	9/22/2017 7:09 PM
128	The beach because it is calming and peaceful.	9/22/2017 6:56 PM

132	Every place that has sufficient off-street parking. Not garages filled with stuff and cars packed (and parked) along both sides of the street.	9/22/2017 5:57 PM
133	Everything south of 7th street the length of the city. Charming, historic houses and apartment buildings. Great restaurants and entertainment options. The beach. Great neighborhoods.	9/22/2017 5:45 PM
134	East LB--It's not a shit hole like all of downtown/westside. Do not bring your density/LUE/Placetypes/Mobility Element crap here.	9/22/2017 5:41 PM

9	We have lived in the Long Beach area for 41 years, renting the majority of that time, and only having the opportunity to buy our home in 2013. Being in our 60s and new homeowners is obviously not the ideal situation, we hope our home will keep it's value and worry that the high density being proposed will do the opposite. We also wonder how many singles and couples without children are available to live in these tiny apartments. It is not healthy for chikdren to be raised in high-rise apartment buildings in our opinion, and adding these apts all over the city will diminish all of what is good in Long Beach.	9/28/2017 10:59 AM

91	Purchased in 1977...Neither of us ever worked our 40yrs locally. My husband grew up in this house. We lived in Belmont Shore for 6yrs as a young couple and bought here. We pray our property will remain a great investment for both us and our daughter to inherit to give our child a better life. As most, it's a good portion of our life's worth and we are working hard to protect our investment!!	9/22/2017 8:37 PM

1	Dislike all the condo spaces being built, and not being used. The downtown area had a really bad facelift that didn't look anything like long beach.	9/28/2017 1:18 PM
