

LIFE OF ELIGIBLE LISTS

Sec. 26. Eligible lists derived from open-competitive examinations shall generally expire one year from their established effective dates. Promotional eligible lists shall expire after two years. After determining the eligible list's utility, if needed, through polling of candidates of interest in City employment, an eligible list derived from an open-competitive examination may, subject to Commission review, be either reduced or extended by the Executive Director. However, the total life of such list shall not exceed three years.

Eligible lists for those classifications for which the continuous testing process is used **may** expire six months from their effective dates.
