

## **REAPPOINTMENT OF RESIGNED EMPLOYEE**

**Sec. 45.** If no priority list exists for a classification which has been requisitioned, a resigned or retired employee who had acquired permanent status in the classification may, after approval by the appointing authority and the consent of the Commission, be reappointed to the classification. If reappointed, the employee must serve a new probationary period.

**Rev. July 20, 1993**
