

REDUCTION IN FORCE SEASONAL AND RECURRENT EMPLOYEES

Sec. 94. The provisions of this Article shall apply to and govern classified "seasonal and/or recurrent" positions of City employment provided, however, that should layoffs occur in classifications which encompass classified "seasonal and/or recurrent" positions of employment, then the incumbents occupying such positions shall be laid off prior to applying the provisions of Section 93. Upon the reemployment of employees affected by the layoff, all employees laid off from permanent positions of employment within the subject classification shall be reappointed before the reappointment of employees laid off from "seasonal and/or recurrent" positions.
