**List of Dispensary Applicants as of 4-18-2019 (Application Period Closed)**

The following dispensary applications participated in the Public Lottery and were placed on the Pending/Ineligible List. In the event that an eligible applicant is unable to obtain a license at the proposed location, the City will refer to the Pending/Ineligible List to determine which replacement application may move on to Department Reviews and Inspections. Replacement applications will be selected based upon the order of applications on the Pending/Ineligible list and review of the 1,000 foot dispensary buffer requirement. The Pending/Ineligible list will expire upon that date that the City issues a total of 32 dispensary licenses.
