FARMERS' MARKET SAFETY TIPS

BEFORE

When you arrive, use hand sanitizer or wash hands at handwash station.

Put on gloves or use produce bags to cover hands while selecting produce.

DURING

Maintain physical distancing with a minimum of six feet between non-family members.

Remember, if you touch it, you buy it.

AFTER

On the way out, discard used gloves or produce bags that were used to cover hands while shopping.

Sanitize hands again using handwash station or hand sanitizer.
