equipment must be self-guided or personally-operated by a customer.

- If an attendant is present on the rental equipment, customers and attendants must wear face coverings.
- Customers are required to wear face coverings at all times while using rentals. Cloth face coverings should not be placed on young children under age 2, anyone who has a medical condition, mental health condition, or disability that prevents them from wearing a face covering, or is otherwise unable to remove the mask or cloth face covering without assistance.
- Rentals where multiple people can use the same piece of equipment (such as kayaks, paddleboats, electric boats (e.g. duffies), bicycles) are limited to individuals or members of the same household only. Sharing of equipment by individuals who are not from the same household is prohibited.
- Each item of equipment rented must be wiped down in its entirety with disinfectant effective against COVID-19 after each use.

B. GENERAL FACILITY RESTRICTIONS

- Customers are required to wear face coverings at all times while at the facility. Cloth face coverings should not be placed on young children under age 2, anyone who has a medical condition, mental health condition, or disability that prevents them from wearing a face covering, or is otherwise unable to remove the mask or cloth face covering without assistance.
- Instructional and informational signage is posted throughout the outdoor facility regarding infection control, physical distancing, and the use of face coverings.
- Inform customers of all safety protocols ahead of time.
- Reservations are required and customers are encouraged to pre-pay using debit/credit cards at the time of reservation.
- On-site payment of fees is done from an existing outdoor facing starter window or from a check-in table outside the facility. Six-foot physical distancing markings are installed to let customers know where to wait to pay. Touchless payment is used, where feasible.
- Encourage payment by gift, debit, or credit card.
- Physical space between employees and customers increased (e.g. partitions, plexiglass at point of sale locations)
- Markings or delineators are set up to create a six-foot barrier to minimize close contact between employees and the public.
- Hand sanitizer, soap and water, or effective disinfectant/wipes is made available to customers at or near each entrance to the facility at any beverage carts and food stations/facilities and restrooms, and other main points of contact.
- Reservations are no less than 10 minutes apart. Customers are encouraged to come to the facility no more than 10 minutes before the time expected to start rental.
- Trash cans are touchless. Lids have been removed if present.
- All restrooms are serviced and disinfected frequently. Doors are propped open when possible to minimize touching of door handles or surfaces.
- Retail sales must adhere to the Retail Physical Distancing Protocol. Facility doors are propped open wherever possible.
- Customers are required to leave the property immediately once the rental time has expired. No congregating or tailgating in the parking lot is allowed.

- Any education or explanation of how to use rental equipment must be done by video or staff must be 6ft from customers.
- This protocol is posted in a location visible to employees and the public.

C. FOOD AND BEVERAGE

- On-site restaurants must operate in accordance with the Restaurant Protocols. Concession stands must operate in accordance with Mobile Food Vendor Protocols. Six-foot markers for guests to maintain physical distances are installed. Hand sanitizer is available at all sites serving food and/or beverages.
- Benches and tables are removed to discourage congregation.
- Beverage carts may be operated. Staff manning the carts wear a face covering and protective gloves to conduct transactions. Physical Distancing Protocols are observed.
- Drinking fountains and water coolers have been removed or covered.

D. DISINFECTING PROTOCOLS

- Point of sale station screen/monitor is disinfected after each transaction with disinfectant effective against COVID-19
- High touch areas are wiped down regularly.
- Public counters and service windows are frequently sanitized with disinfectant effective against COVID-19.
- Provide for disinfecting all payment portals, pens, and styluses after each use.
- Employees assigned to disinfect high-touch surfaces frequently
- Each item of equipment rented must be wiped down in its entirety with disinfectant effective against COVID-19 after each use.
- Employees assigned to disinfect rental equipment between uses.
- Hand sanitizer (with at least 60% alcohol), soap and water, or disinfectant effective against COVID-19 is available to the public anywhere there is high-frequency employee interaction with members of the public.

E. EMPLOYEE PROTOCOLS

- Employees who have contact with others are offered, at no cost, an appropriate face covering that covers the nose and mouth. The covering is to be worn by the employee at all times during the workday except where the employee is working in a vehicle, office, or room alone. Employees who have been instructed by their medical provider that they should not wear a face covering should wear a face shield with a drape on the bottom edge, to be in compliance with State directives, as long as their condition permits it. A drape that is form fitting under the chin is preferred. Masks with one-way valves should not be used.
- Staggered start times for staff and split shifts are put in place to limit the number of staff on site, at team meetings, at lunch breaks, and during departure times. No one is allowed to congregate in groups.
- Staff meetings are held in open air spaces in order to maintain physical distancing.
- No visitors or sales representatives are allowed on or within the facility. This includes outside distributors and manufacturer representatives. Meetings are held via telephone, zoom or other virtual platforms.
