Section I – Parties of Memorandum of Understanding

This Memorandum of Understanding (“MOU” or “Agreement”) is made and entered into by and between the City Of Long Beach, a Municipal Corporation (“City”), and the Long Beach Association of Engineering Employees (“Association”) pursuant to Government Code Sections 3500 et seq.

Section II – Recognition

The City hereby recognizes the Association as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV – Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Association or to have the Association represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing himself/herself individually or appearing on his/her own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.
- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through Equal Employment Opportunity procedures established by the Department of Human Resources or Civil Service, and shall be entitled to pursue California or federal statutory rights.

Section V – Employee Organizational Rights and Responsibilities

A. Dues and Benefit Deductions Program

During the term of this MOU, upon receipt of an executed voluntary written authorization, the City shall deduct Association dues and benefit program premiums from the pay of employees represented by the Association. The form for this purpose shall be provided by the City and the amounts to be deducted for Association dues and benefit program premiums shall be certified to the City by the designated Association official. For such purposes, effective July 1, 2006, the City shall charge the Association for each employee five and one-half cents (\$.055) per deduction for Association dues and five and one-half cents (\$.055) per deduction for all other deductions. The deductions shall be made twice a month.

The Association hereby agrees to indemnify and hold the City harmless for any loss or damages, claims, or causes of action, arising from the operation of this provision of the Agreement.

B. Association Representatives

The Association shall submit a current list of Association representatives (Board Members and alternates) to the Director of Human Resources (“Director”). Any changes to this list shall be submitted to the Director within ten (10) working days following such changes.

C. Notification of Job Classification Changes

The City shall notify the Association and provide a copy of any proposed changes in the duty statement for existing classifications represented by the Association not less than ten (10) working days prior to consideration by the Civil Service Commission. The parties shall meet and confer in accordance with provisions of the Government Code regarding the impact of proposed changes in the duty statements and attempt to reach agreement prior to consideration by the Civil Service Commission. In the event agreement is not reached, either party may address the Civil Service Commission on the matter.

D. Notification of Changes in Work Rules

Whenever written departmental work rules, regulations, or policies are established, or changes made in existing departmental work rules affecting conditions of employment, the City shall give the Association reasonable notice as defined by the Government Code prior to placing the new rules, or changes in such existing rules, into effect. These notices of changes are not intended to impede the normal day-to-day operation, but are intended to improve communication between the Association, the City, and the employees.

E. Representational Time-Off

Pursuant to relevant Government Code Sections, the City shall allow a reasonable number of Association employee representatives reasonable time off without loss of compensation or other benefits while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.

Each fiscal year, the Association shall receive a bank of 100 hours to be used for general Association business. The Association shall provide the Director with a monthly accounting of how this time is being used, listing: name, department, date, and work hours used, rounded off to 12-minute increments. Unused time cannot be carried over to future fiscal years. Employees using Association time must give notice and receive prior approval. Approval will not be unreasonably withheld except for operational demands. Sufficient advance notice is required if the request for time off exceeds one workday.

F. Bulletin Boards

The Association shall have access to a reasonable number of bulletin boards for the purpose of posting notice of official Association business. Notices to be posted shall receive the prior approval of the Director. In any event, no posting shall contain any material scurrilous or derogatory about any City employee or elected official.

G. Work Access and Distribution of Notices

1. Authorized Association staff, field representatives or employee representatives (Board Members and alternates pursuant to Article I Section V-B) shall be given access to work locations during working hours to conduct Association business so long as it is not unreasonably disruptive of normal working processes. Management may deny access if it feels it will unreasonably interfere with work. The Association representative must advise management when he/she has arrived on site.
2. The Association shall give to all department heads with employees in this unit, and to the Director, a written list of all authorized representatives, which shall be kept current by the Association. Access to work locations will only be granted to representatives on the list.
3. With prior City approval, the Association may have access to available conference rooms and/or City facilities during non-work hours.

4. The distribution of any written or printed notices, cards, pamphlets, or literature of any kind at City workstations or premises is prohibited without the prior permission of the appointing authority or designee. Any written information to be distributed to employees must be furnished to management.

10. All rights, powers, authority, and functions of management, whether heretofore or hereinafter exercised, shall remain vested exclusively with the City.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended, to diminish the rights of the Association.

This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities.

The City may take whatever action is deemed appropriate provided it does not violate any employee's rights under applicable statutes.

In the event of any concerted effort, the President or authorized representative of the Association shall, within twenty-four (24) hours, publicly disavow such conduct and request the employees to return to work and attempt to bring about prompt resumption of normal operations. The Association shall notify the City within twenty-four (24) hours after the commencement of such work interruption as to the measures taken to comply with these provisions.

This step advancement policy will be effective October 1, 2001. Employees hired prior to September 1, 2001, will continue their step advancement in accordance with the step placement in effect on that date, but subject to the performance provision set forth in Section C.3. below.

3. Performance System

The performance program set forth below will be implemented October 1, 2001.

As set forth in C.2. above, an employee will advance to the next step of the salary schedule if he/she receives an overall Meets Job Requirements rating on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The ratings will be based on the most recently completed Employee Performance Appraisal form.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, he/she shall be advanced to the next successive step. He/she will receive their next step increase in accordance with the provisions of item C.2. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, he/she will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

4. Appeal Process

If an employee does not receive a step increase because of his/her performance rating, he/she may appeal the rating as follows:

- a. A complaint shall be presented orally or in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs the Employee Appraisal form, which

acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee within ten (10) working days from the date the complaint was received.

- b. If the employee is dissatisfied with the results of the supervisor's response, he/she may appeal the matter to the Department Head or designee, ten (10) working days from the oral or written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint. (For employees in the Water Department and Harbor Department, this shall constitute the final step of the appeal process.)
- c. If the employee is dissatisfied with the response from the Department Head or designee, the employee may proceed by written request to the Director of Human Resources within ten (10) working days from the date of decision of the Department Head.
- d. If the matter is submitted to the Director of Human Resources, he/she shall review the matter within twenty (20) working days after receipt of the written request from the employee. The Director of Human Resources or designee shall hold such hearings and conduct such proceedings as may be necessary, but such hearings and proceedings shall be conducted in an expeditious and confidential manner with the involved parties only. Employees called as witnesses shall be released from duty as needed.
- e. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
- f. In all of the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.

Section II – Overtime

- A. An employee who is non-exempt under FLSA may continue to bank or be paid overtime at time and one-half for overtime hours worked in excess of 40 hours paid (excluding sick leave) in a work week, up to 40 work hours. Hours charged as sick leave will be excluded from overtime calculation for exempt and non-exempt employees when determining premium pay under the provisions of FLSA. However, if the employee has actually worked more than 40 hours in the workweek, banking is not permitted for hours that exceed 40 work hours. The employee can only be paid time and one-half for that time actually worked over 40 work hours. In the event that the Department of Labor's rules and regulations

are amended to give the City control over scheduling off the FLSA compensatory time so as not to require replacement personnel, the parties will agree to reopen this section of the MOU.

- B. Banked time-off hours shall be allowed at such time or times mutually agreeable to both the employee and his or her Department Head. Such time off may not be granted if it results in the disruption of departmental operations. It may also not be granted in the pay period in which it is earned. Banked time-off hours must be taken no later than the last full pay period in the fiscal year. All banked time off hours not taken off in accordance with the above shall be paid to the employee the last pay period of the fiscal year, or prior to a general salary increase.
- C. Banked overtime credits shall not exceed 40.0 expanded hours for any employee at any one time.

(26.67 straight time hours x 1 ½ = 40)

- D. All banked time-off hours not taken prior to the effective date of a salary range increase which results in a higher hourly pay rate as the result of a promotion shall be automatically paid at the lower hourly pay rate.
- E. All banked time-off hours not taken prior to the effective date of a salary range decreases which results in a lower pay rate as the result of a reversion or demotion, shall be retained as banked overtime unless the employee requests one pay period prior to the effective date of change to be paid at the higher hourly pay rate.

Section III – Skill Pay

All employees in the classifications listed in Appendix C, who meets the requirements for receipt of skill pay shall received additional compensation at the designated rates.

The employee shall be paid the night shift differential established by this Section only for each hour actually worked between the hours of 6:00 p.m. and 6:00 a.m.; or
- C. Employees who work a twelve-hour shift that begins or ends at midnight, shall be paid Night Shift Differential for only those hours worked between the hours of 6:00 p.m. and 6:00 a.m.

Effective July 1, 2006, higher classification pay shall be compensated at eighty cents (\$0.80) per hour providing the following conditions are met:

1. The employee who is assigned the higher-level duties of the vacated position must work at least forty (40) consecutive hours once per calendar year in said position in order to qualify for the higher classification pay.
2. The higher-level duties performed must be those of a permanent budgeted position that is vacant, either temporarily because of absence or reassignment of the regular employee, or vacant due to resignation, termination or other such action.
3. In no event shall the total compensation paid to the employee for regular salary and higher classification pay exceed the top step of the higher classification or grade level.
4. The temporary appointment to the higher classification must be approved by the appointing authority or designee.

Effective 07/01/06, mileage will be reimbursed at a rate of \$0.385 cents per mile.
- C. A flat monthly allowance in such sum as may be determined by the City Manager or appropriate appointing authority, but not to exceed three hundred and eighty-five dollars (\$385.00) per month. The monthly allowance is hereby determined to constitute reimbursement for the expenditures and costs of operating and maintaining the vehicle, including its availability, as required for the performance of official City duties.
- D. Any City employee whose job regularly requires that transportation be available between multiple job sites, but who does not qualify for the assignment of a City-owned vehicle based on the criteria set forth above, will be authorized to use his or her personal vehicle for the performance of official duties and will be reimbursed by the City at a flat rate of \$125.00 per month plus \$.10 per mile for each mile incurred on City business. Effective 07/01/06, the per mile rate will be reimbursed at \$0.12 per mile.
- E. Any City employee not having access to a departmental or dispatch vehicle pool, but whose official duties require intermittent transportation, will be authorized to utilize his or her personal vehicle for the performance of official duties and will be reimbursed at the designated rate per mile for mileage incurred on City business.
- F. Mileage reimbursement will be authorized only for employees who do not have access to departmental or dispatch pools of City-owned vehicles.
- G. With the approval of the City Manager, employees may be authorized to use and be reimbursed for public bus or taxi transportation. Employees subject to emergency calls but who do not have access to a City-owned vehicle during off-duty hours, may be authorized to be reimbursed as specified above for the use of their own vehicles or for the actual cost of public transportation.

B. Also included is every day appointed by the President of the United States or the Governor of the State of California to be a public holiday, or by the City Council of the City of Long Beach to be a City holiday. In no instance will employees

receive more than 13 holidays per calendar year unless authorized or approved by the President, Governor, or City Council, as indicated above. The Association will agree to reduce one holiday if the state or City Council mandates a Caesar Chavez holiday to maintain a total of 13 holidays. This provision shall also apply to the credit applicable to personal holidays.

- C. For covered employees not on a holiday in-lieu schedule, four personal holidays will be credited on January 1 of each calendar year. Employees hired after January 1 will be credited with 1.24 personal holiday hours for each full pay period of paid time. Thereafter, each January, they shall receive four personal holidays (32 hours).
- D. Employees who leave the City having taken/not taken their personal holiday leave prior to earning it will have their separation pay debited/credited proportionately. For example, if an employee has taken all four personal holidays and retires on June 1, he/she shall owe the City two days pay for the two personal holidays taken but not earned.
- E. Employees on in-lieu schedules will continue to receive 13 holidays per year. Personal holiday leave will be requested by employees in the same manner as vacation and/or compensatory time off.
- F. Permanent part-time employees shall be eligible to accrue personal holiday leave at the rate of 1.4 hours for every 174 hours of regular paid hours.

Section V – Jury Service

Employees receiving a jury summons will be provided paid release time up to eighty (80) hours per calendar year when required to serve jury duty. Employees must inform their supervisor immediately to accommodate work schedule changes. Employees, who are on jury service, will have their work schedule changed to the day shift for each day they are on jury service and are scheduled to work. Employees dismissed from jury service, in time to arrive at work at least 2 hours prior to the completion of the shift, must report back to work. Jury service is subject to the provisions of the City's Personnel Policies and Procedures.

Section VI – Standby Pay

- A. Employees who are released from active duty but who are required by their departments to leave notice where they can be reached and be available to return to active duty when required by the department shall be said to be on standby duty.
- B. Standby duty shall, whenever possible, be assigned to employees on a voluntary basis. When voluntary assumption of standby duty by employees is insufficient

to meet the needs of the department, then such duty will be assigned on a rotational basis whenever possible within affected work units.

- C. Standby duty requires that employees so assigned shall be ready to respond within 30 minutes, be reached by telephone or other communicating devices, and refrain from activities, which might impair their ability to perform assigned duties. Employees not obligated to remain on standby have no obligation to meet these requirements. Employees accepting standby assignments not able to meet the above criteria due to distance must make prior arrangements with management before accepting the standby assignments.
- D. Standby duty shall be compensated at sixty cents (\$.60) per hour for each full hour of standby duty. Effective July 1, 2006, standby duty shall be compensated at ninety-five cents (\$.95) per hour for each full hour of standby duty.

ARTICLE FOUR

BENEFITS

Section I – Health, Dental and Life Insurance

A. City Contribution:

1. The City shall contribute by way of obligation for health, dental and life insurance benefits, the maximum amounts indicated below, for employees in permanent full-time positions for the period starting:

Effective December 1, 2004 - \$796 per month

2. Employees may change benefit coverage during open enrollment. A change in benefit coverage may result in a change in the employee payroll deduction. The employee payroll deduction will be based on the City's rate schedule in place effective 12/01/04, and will include any increases incurred up to the date of the change.

B. Effective December 1, 2005, and every December 1st thereafter, through December 1, 2007, the City contribution for health, dental and life insurance shall be established in the following manner:

1. On December 1, 2005, and every December 1st thereafter through December 1, 2007, increases in the costs for the health, dental and life insurance plans selected by employees shall be borne by the employee in the manner set forth below. The portion of this increase paid by the employee shall be added to the existing payroll deductions for that coverage, but will not exceed the following amounts:
 - a. On December 1, 2005, employees shall pay 30% of the increase or \$15 whichever is less, over the rates in effect on December 1, 2004 for the plan options selected.
 - b. On December 1, 2006, employees shall pay 30% of the increase or \$20 whichever is less, over the rates in effect on December 1, 2005 for the plan options selected.
 - c. On December 1, 2007, employees shall pay 30% of the increase or \$25 whichever is less, over the rates in effect on December 1, 2006 for the plan options selected.

These increases will be added to the previous payroll deduction for the coverage selected. The City shall pay the difference between the restructured cost and the employee contributions outlined above.

2. Example:

On December 1, 2004 a member enrolled in the City's POS 100 medical plan with Delta Dental coverage would have a \$200 per month payroll deduction for family coverage: and the restructured cost of that plan increases by \$50 per month on December 1, 2005, the City and the employee will split the additional cost as defined in Section B (1) above and the employee will be responsible for 30% of the increase up to the cap, plus their existing payroll deduction. The new payroll deduction will be \$215 per month for family coverage (30% of \$50 up to the \$15 cap plus the current deduction).

3. On December 1, 2005, and every December 1st thereafter through December 1, 2007, any decreases in the cost for the health, dental and life insurance plans selected by employees shall be conveyed seventy percent (70%) to the City and thirty percent (30%) to the employee in the form of a rebate to the employee's payroll deduction for the selected plan. This section is not intended to provide a rebate if no employee deduction is required.

Section II – City Health Insurance Advisory Committee (HIAC)

The Association shall maintain one representative on the City's Health Insurance Advisory Committee (HIAC).

Each year the Health Insurance Advisory Committee meets to review the status and solvency of the health, dental and life insurance plans. The committee reviews plan costs and make recommendations to the City Manager on plan changes, benefit levels, payroll deductions, and deletion or addition of plans.

The Health Insurance Advisory Committee will recommend to the City Manager the benefits for the various plans for the period December 1, 2005 through the term of this agreement. Every effort should be made to have these recommendations to the City Manager by August 15th of each year. The City Manager will consider these recommendations prior to making his final recommendations to the City Council for any changes to plan design. If the City Manager's recommendations to the City Council differ from the recommendations received from the HIAC, the City Manger will advise the association of his recommendations in writing, at least seven (7) calendar days before he submits them to the City Council for approval.

Section III – On-the-Job Death Benefit

Effective July 1, 2002, if an employee is a victim of violence in the workplace and is killed on the job, the City shall continue to provide health insurance and dental insurance benefits as follows:

1. For the surviving spouse until his/her marriage, death, or Medicare eligibility, whatever occurs first.
2. For the surviving children until their 19th birthday or until age 26 if a full-time student in an accredited college or university.

Violence in the workplace does not include accidents or acts of God.

ARTICLE FIVE

Section I – Retirement Program

A. Continuation of Retirement Benefits

1. For employees who are eligible for and enrolled in the California Public Employees Retirement System (CalPERS) on October 1, 2004, the City will continue to provide pension benefits to said employees in accordance with the contract in effect on October 1, 2004. The City shall pay to CalPERS on behalf of each eligible employee, an amount equal to seven-eighths (7/8) of his/her eight percent (8%) individual contribution.
2. Effective July 22, 2006, the City shall contribute on behalf of each current bargaining unit member, a maximum of six-eighths (6/8) of his/her eight percent (8%) individual employee contribution.

B. Amendment to Contract with the California Public Employees' Retirement System

As soon as practicable, the City shall amend its contract with the CalPERS to implement a new tier of retirement benefits for employees hired on or after the effective date of the CalPERS contract amendment. The new tier benefits will be 2.5% @ 55 Modified retirement formula.

C. Report the Value of Employer Paid Member Contributions (EPMC) – Special Compensation

The City shall continue to designate EPMC as compensation earnable and report it as such to CalPERS.

D. Superfunding

In the event the City is advised by CalPERS that it is no longer required to make the employee's contribution into the retirement system, payroll deductions of employee contributions will cease. If the City is required to make the employees' contribution at a future date, payroll deductions for employee contributions shall resume as prescribed in Section I.A.

Section II – Workers' Compensation

- A. Any Association employee, including an employee of the Harbor Department and Water Department, who is compelled to be absent from duty with the City because of temporary total disability resulting from injury or illness arising out of

and occurring in the course and scope of employment with the City, which is properly certified by a duly authorized physician, shall not be compensated his or her regular salary or wages from the City for all regularly scheduled work hours during the first three (3) calendar days of the absence following the injury or illness unless:

1. Employee is hospitalized.
2. The duration of the injury or illness is greater than fourteen (14) consecutive days.
3. The injury or illness is the first occurrence of temporary total disability during the fiscal year.
4. The injury or illness has been determined by the Workers' Compensation Office to be a recurring injury or illness and employee has not been compensated for the first three (3) calendar days of said absence following said injury or illness.

Sick leave, overtime, vacation, or holiday credited hours may be used by the employee for the first three (3) unpaid calendar days of injury or illness, provided the employee has earned and is entitled to these credited hours. Thereafter, if the employee is compelled to be absent from duty with the City because of a duly certified temporary total disability, the employee shall be entitled to receive compensation for a period not to exceed the employee's full-time work status or a total of fifty-one (51) weeks and four (4) calendar days whichever is less. However, in no event will the minimum time be less than 90 calendar days. The amount will be equal to seventy-five percent (75%) of his or her regular salary or wages from the City less any workers' compensation temporary disability benefits due the employee under any applicable provisions of California or federal workers' compensation laws. The amount shall be subject to any deductions or withholdings required by California or federal laws.

- B. The terms "regular salary" or "wages" as used in Section A shall mean the employee's base hourly rate, including any skill pay for skill to which the employee was regularly assigned and performing at the time of his or her injury or illness, but the term "regular salary" shall not include any overtime, night shift differential, or higher classification pay.

ARTICLE SIX

OTHER BENEFITS AND EMPLOYMENT CONDITIONS

Section I – Employee Parking

- A. Employee parking shall be provided on City property or a City operated facility on a space-available basis. In the Civic Center area, there shall be a minimum of 50 spaces for members and those employees represented by the Association. Employees reporting to work in the downtown area after 3:00 p.m. shall be allowed to park at the Broadway public city lot and, thereafter, be permitted to move their vehicle to closer available parking.

- B. The City shall abide by the above provisions unless said provisions are in conflict with regulations promulgated by the AQMD. In said event, the City shall meet and confer with the Association regarding the impact of any required changes.

Section II – Rest Periods

The City shall authorize and permit all employees to take rest periods, which insofar as practicable shall be in the middle of each work period but in no event can these be used to reduce normal work hours. The authorized rest period time shall be based on the total hours worked daily at the rate of fifteen (15) minutes net rest time per four (4) hours or major fraction thereof.

Section III – Personnel Files

An employee or his/her Association representative, with written consent of the employee shall be entitled to review all of his/her existing personnel folders upon request.

The employee shall, in advance, be advised of, entitled to read and challenge, all statements written by the employee's supervisor, division head, bureau head, or department head, of his/her work performance or conduct, if such statement is to be placed in the employee's file. No such material shall be filed until an employee has had the opportunity to challenge any such material. Tardy slips and notes of absenteeism shall be excluded from this requirement since they are not considered to be disciplinary statements.

At the employee's request in writing, disciplinary memoranda for minor offenses, including suspensions not to exceed two (2) days and all tardy slips and notes of absenteeism, shall be "sealed" for reasons that such items shall not be used against the employee thereafter, if no further disciplinary action has been taken against the employee within two (2) years following issuance of the memoranda.

Any item that is sealed shall be removed from access from personnel except the department head or designee. If the employee believes there is material in the personnel file that should be removed or sealed, he/she may file a grievance pursuant to Article Seven. However, the grievance resolution shall be final and binding when it gets to the Director of Human Resources and Affirmative Action unless there is some other alleged violation of the MOU within the grievance.

Section IV – Transfer/Reassignment/Change of Shifts

The City will provide reasonable notice whenever possible in the event of an involuntary transfer or reassignment to another work shift or work location that could impact the employee's travel and/or child-care arrangements. Reasonable notice is not required as a result of discipline, disability, or acts beyond management's control.

Section V – Accident Review

Employees who are involved in accidents and are being questioned, where the results of the investigation may lead to discipline, are entitled to representation at each level of the accident review process. If the employee requests representation, an Association representative shall be permitted to attend.

Section VI – Labor/Management Meetings

The parties agree to meet quarterly in an effort to resolve issues of mutual concern regarding employee relations. The parties shall select their respective representatives. The parties, by mutual agreement, may agree to develop the agenda for discussion items. The parties shall have no authority, however, to delete, modify or change the terms of this MOU, or to settle any grievance being processed under a different Article of this MOU.

ARTICLE SEVEN

GRIEVANCE PROCEDURE

Section I – Definition

- A. A grievance is a complaint by the Association or one or more employees concerning the application or interpretation of this MOU, the Personnel Ordinance, the Salary Resolution, written departmental rules and regulations, and policy and procedure manuals governing personnel practices or working conditions between the City and the Association.
- B. Matters excluded from consideration under the grievance procedure:
 - 1. Position classification and grade designations;
 - 2. Items otherwise expressly excluded under this MOU;
 - 3. Nothing in this procedure shall be deemed to supersede the authority of the Civil Service Commission;
 - 4. Loss of skill pay due to a change of assignment, work or duties.
- C. If an employee alleges that his/her rights protected by Title VII of the Civil Rights Act are being violated, the resolution of such may only be pursued by the appropriate quasi-judicial agency that is authorized to provide remedial relief. However, any complaint within the definition of a grievance as set forth above (except Article One, Section IV-B) that specifically relates to this Agreement, may be pursued under this Article.

Section II – Grievance Presentation

Employees shall have the right to present their own grievance or do so through their Association representative (Board member, or alternate) or Association staff.

Grievances may also be presented by a group of employees or by the Association.

Section III – Grievance Forms

Grievance forms can be obtained from the City or the Association. Grievances shall be processed on standard forms provided by the Department of Human Resources and Affirmative Action and shall contain information which:

- a. Identifies the aggrieved;
- b. Contains the specific nature of the grievance;

- c. Indicates the time or place of its occurrence, if known;
- d. States the Article(s) of the MOU, including Personnel Ordinance and Salary Resolution, written departmental rules and regulations, and policy and procedure manuals, if applicable, which have been violated, misinterpreted or misapplied;
- e. Indicates the persons contacted at the informal stage; and
- f. States the corrective action desired.

Section IV – Time Off For Processing Grievances

- A. Informal – The processing of a grievance at the informal stage shall be considered as City business. However, such processing shall be at reasonable times so as not to disrupt the normal working processes of the division, bureau, or department.
- B. Formal – The processing of a grievance at the formal stage, except filling out the form and the initial filing, shall be considered as City business; the employee and his/her representative (limited to one City employee) shall receive time off from regularly-scheduled duty hours to participate in the grievance procedure and arbitration at Steps I through V, without loss of pay for the time so spent.

Section V – Cost of Witnesses at Grievance/Arbitration

The cost of witnesses called by either party shall be borne by the party who requests the witnesses. The cost of witnesses called by both parties shall be shared equally by both parties. City employees called as witnesses, on duty at the time, shall receive time off from duty to participate in the grievance/arbitration, without loss of pay for the time so spent. City employees called as witnesses, not on duty at the time, may receive compensation by the party of parties who request the witnesses.

Section VI – Number of Witnesses at Arbitration

Calling of witnesses by either party shall be done with a reasonable amount of constraint. Approximately three or four witnesses may be called by each party. In the event that more witnesses are desired by either party, the arbitrator shall make the final decision as to the number of witnesses permitted by each party.

Section VII – Extension of Time Limits

Failure by management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

If an employee fails to appeal from one level to the next within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision, and the grievance shall not be subject to further appeal or reconsideration.

All time periods specified in this procedure may be extended by mutual written consent of the aggrieved employee(s), Association staff, or Association representative (Association board member or alternate) and the designated management representative.

Section VIII – Informal Procedure

Both the City and the Association agree that grievance resolution at the informal level is preferred and should be encouraged by both parties.

Within 10 working days of the occurrence or knowledge of the matter, which causes the complaint, the employee shall discuss the complaint with his/her immediate supervisor, unless the supervisor is the subject of the grievance. The Association's presence may be requested by either party.

Within 10 working days of the discussion with the employee, the supervisor shall verbally reply to the employee's complaint. If the employee is dissatisfied or if the supervisor fails to respond, the employee shall have access to the formal grievance process.

Section IX – Formal Procedure

The Association has the right to be present if invited by the grievant at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this MOU. However, no settlement that interprets the agreement shall be made without the Association's knowledge and input.

Step One – First Level Division/Bureau Head

- A. Within 10 working days of the occurrence or knowledge of the matter, which causes the grievance, or within 10 working days of the supervisor's response (or lack of response) at the informal level, if this option was exercised, the Association, group of employees, or employee may file a formal written grievance. The grievant(s) shall submit one (1) copy of the grievance to the Division/Bureau Head.
- B. Within 10 working days the Division/Bureau Head shall schedule a meeting and give his/her decision, in writing, to the grievant(s) and to the Association representative, if one was present at the meeting.

A meeting shall be held by the Department Head. An Association representative shall be present if requested by grievant(s).
- B. Within 10 working days, the Department Head shall give his/her decision, in writing, to the grievant(s) and to the Association representative, if one was present at the meeting.

Step Four – City Manager

- A. Within 10 working days of the response from the third level, the grievant(s), if dissatisfied, may submit to the City Manager copy of the third step response and a copy of the grievance. A meeting will be scheduled by the City Manager. An Association representative shall be present if requested by grievant(s).
- B. Within 10 working days, the City Manager shall give his/her decision, in writing, to the grievant(s) and to the Association representative, if one was present at the meeting.

For Water and Harbor Departments only, substitute Department Head for City Manager.

Step Five – Arbitration

If the City Manager (Water or Harbor – Department Head) does not satisfactorily dispose of the complaint, the Association may, within ten (10) working days, request that the matter be submitted to arbitration. The person designated by the Human Resources and Affirmative Action Department shall meet with the Association representative to determine what issue(s) the Association or employee desires to submit to arbitration. If agreement is reached as to the specific issue(s) so agreed shall be reduced to writing, and the submission agreement shall be submitted to arbitration. If the parties cannot agree on the specific issue(s), then each may submit its own statement, and the Arbitrator shall consider and decide only the specific issue(s) submitted to him/her in writing by the City and the Association, and shall have no authority to make a decision on any other issue(s) not so submitted.

If the matter is submitted to arbitration, the Arbitrator shall hold a hearing as soon as practicable, and the following shall apply:

1. The parties shall meet and attempt to jointly select an Arbitrator. If they are unable to make a joint selection in a period of time not to exceed ten (10) calendar days, either party may request a panel of five (5) arbitrators from the American Arbitration Association;
2. Upon receipt of the panel from the American Arbitration Association, the parties shall meet within ten (10) working days, at which time the parties shall determine the Arbitrator by the alternate strike method. A coin flip will determine the party to strike first;
3. Employees called as witnesses shall be released from duty as needed;
4. The rules of conduct of proceedings shall be according to those procedures utilized by the American Arbitration Association;
5. The findings of the Arbitrator shall be permitted only to the parties to the dispute or their representatives;
6. Each party shall bear the expenses of presenting its own case;
7. Costs of making a stenographic record shall be borne equally;
8. Seventy-five percent (75%) of the Arbitrator's fee shall be paid by the party whose position was not supported by the Arbitrator's findings. The Arbitrator shall be empowered to allocate or apportion the fee if questions exist as to whose position was supported;
9. The Arbitrator shall have no authority to modify, amend, revise, add to, or subtract from any of the terms or conditions of this Agreement;

10. The Arbitrator shall be without power to make decisions contrary to or inconsistent with Federal or State law, the City Charter, City Ordinances and Resolutions. The City shall take no action to resolve the dispute in its favor by amending its Ordinances or Resolutions related to the issue(s) in dispute during the duration of this Agreement;
11. Following the conclusion of the hearing, the decision of the Arbitrator rendered in accordance with the foregoing shall be final and binding upon the Association, the City and any employees involved in the grievance. Any dispute regarding the legal effect of the Arbitrator's decision may be pursued by either party in the manner legally available.

ARTICLE EIGHT
