1. To ensure compatible land use development, you must determine your site’s proximity to civil and military airports. Is your project within 15,000 feet of a military airport or 2,500 feet of a civilian airport?
   ☒No → Based on the response, the review is in compliance with this section. Continue to the Worksheet Summary below. Provide a map showing that the site is not within the applicable distances to a military or civilian airport.
   ☐Yes → Continue to Question 2.

2. Is your project located within a Runway Potential Zone/Clear Zone (RPZ/CZ) or Accident Potential Zone (APZ)?
   ☐Yes, project is an APZ → Continue to Question 3.

   ☐Yes, project is an RPZ/CZ → Project cannot proceed at this location.

   ☐No, project is not within an APZ or RPZ/CZ
   → Based on the response, the review is in compliance with this section. Continue to the Worksheet Summary below. Provide a map showing that the site is not within either zone.

3. Is the project in conformance with DOD guidelines for APZ?
   ☐Yes, project is consistent with DOD guidelines without further action.
   
   Explain how you determined that the project is consistent:

   → Based on the response, the review is in compliance with this section. Continue to the Worksheet Summary below. Provide any documentation supporting this determination.
☐ No, the project cannot be brought into conformance with DOD guidelines and has not been approved.  → *Project cannot proceed at this location.*

☐ Project is not consistent with DOD guidelines, but it has been approved by Certifying Officer or HUD Approving Official.

**Explain approval process:**

If mitigation measures have been or will be taken, explain in detail the proposed measures that must be implemented to mitigate for the impact or effect, including the timeline for implementation.

→ *Based on the response, the review is in compliance with this section. Continue to the Worksheet Summary below. Provide any documentation supporting this determination.*

**Worksheet Summary**

**Compliance Determination**

Provide a clear description of your determination and a synopsis of the information that it was based on, such as:

- Map panel numbers and dates
- Names of all consulted parties and relevant consultation dates
- Names of plans or reports and relevant page numbers
- Any additional requirements specific to your region

As shown in Figure 1 below, the project site is not within 2,500 feet of a civilian airport or 15,000 feet of a military airport. The Long Beach Airport is a public airport located more than 2 miles northeast of the project site.
Are formal compliance steps or mitigation required?

☐ Yes
☒ No
