Long Beach Marinas

Alamitos Bay Marina, Long Beach Shoreline Marina, and Rainbow Harbor/Rainbow Marina

With summer just around the corner I thought I would highlight a few of our upcoming events so you can mark your calendar. More event details will be given in the July issue.

Long Beach Municipal Band Summer Concert Series

The Long Beach Municipal Band is one of the most distinguished and professional Municipal Bands in the United States. The player personnel in this wonderful ensemble include the best of the Southern California's symphony, studio recording and jazz performers. This diversity of talent provides Long Beach audiences with impressive concerts of jazz, movie, musical and light classical literature. The Band also combines with talented guest vocalists weekly to guarantee that your family's summer evening in the park will be the highlight of the week.

We hope you and your family will join us in our musical expedition as performed by one of the nation's great cultural treasures - The Long Beach Municipal Band.

On Thursday evenings from July 3, 2017 – July 31, 2017, beginning at 6:30 p.m., the Municipal Band will be performing at Marine Stadium.

Unique to other locations, Marine Stadium allows you to listen to the band while either sitting in the park or on your boat. On Thursday evenings the waterways at Marine Stadium will be reduced to 5mph at 5:30 p.m. so vessels of any size can come in, anchor and enjoy the music!

Fourth of July Activities

Back by popular demand will be the 3rd of July "Big Bang Block Party." This is a spectacular night to remember with a vintage fly over, sky divers, and pyrotechnics blasting off

from a barge in the middle of the bay, giving spectators a close-up view from the bay's shores and all along the Peninsula, Naples and, most festively, from the Big Bang Block Party and around The Boathouse on the Bay.

Festivities will continue on the 4th with the ever so popular Queen Mary Fireworks Extravaganza. The Queen Mary will be hosting a family fun day aboard the ship. Spend the day aboard the Queen Mary, explore the ship, listen to live music, enjoy family-friendly entertainment and get front and center to our giant fireworks display. For a list of activities visit: <http://www.queenmary.com>.

July 4th Alfredo's Beach Club will be hosting "Parties on the Pier." The daily event hours are from 2PM – 10PM. Belmont Veterans Memorial Pier will be the location for tasty food, drinks and a DJ Dance Party.

Long Beach Dragon Boat Racing

The 2017 Long Beach Dragon Boat Festival will be held at Marine Stadium in Long Beach on July 29 - July 30, 2017. In addition to hosting one of the largest dragon boat competitions in California, there will be Chinese traditional art demonstrations, Chinese Acrobats, traditional dance, hip hop, music and martial arts performances.

Come join us for all the fun, food and excitement! See you around.

Held in the parking lot at Seal Beach Yacht Club, it is THE place to be on Saturday, July 8th, from 7AM – 1PM. Be sure to come early for the super deals! Shopping is free. Selling will cost you \$35 and all the proceeds go directly to the Clinic. Spaces are currently available and can be purchased the day of the event. However, reservations are requested. Whether you are buying or selling this is a great opportunity to support a local charity.

Marina Yacht Club will be cooking a delicious pancake breakfast with sausage, juice and coffee from 7AM –

10:30AM. Traditional grilled hot dog lunch with snacks and sodas will be on the menu for lunch from 11AM – 1PM. Proceeds from the meals will also be donated to The Children's Clinic. Come on down, eat, sell or shop – it is for a great cause!

The Children's Clinic, "Serving Children and Their Families" (TCC), was founded in 1939 by a group of physicians and community leaders who recognized the importance of access to healthcare for all children, particularly those who are from low income families. Since then, TCC has grown from offering weekly well-child care to daily, full service health care with primary care services for children, adolescents and adults. TCC is a unique leader in our community. There are now 8 locations serving the greater Long Beach area. Come on out and support them.

There is no charge for shoppers. Pre-register not required but helpful. \$35 per space. Clean out your garage and put some extra spending money in your pocket all while helping a great program. Let's reuse and reduce! Mark your calendars and come on down! For info contact Kelly Walsh at (714) 865-4585.

Hazardous Waste Oil and Anti-Freeze Disposal

Waste Oil, Filters and Anti-Freeze Dump Stations are provided throughout the Long Beach marinas for our customers to deposit used waste oil, filters and anti-freeze. (See the chart below for locations at each marina) Because we are providing this service to you, we would like to share important information.

First and foremost, these dump stations are for waste oil, filters and anti-freeze only. Waste Oil and Anti-Freeze can be poured directly into the barrel and filters can be placed on the tray next to the oil/anti-freeze barrel. If the barrel appears to be full please try a different location.

Leaving full containers of oil or anti-freeze outside the dump station is not advisable. Often times these containers get knocked over and create a hazardous waste situation requiring us to call out an authorized company for clean-up which ultimately cost us additional fees.

If you notice a barrel that is full please reach out to our maintenance department at 570-1582 and let them know so arrangements can be made to get it emptied. Also, if you see the disposal stations being used by non-boaters, please call the marina office immediately so we can take action.
