DON'T KIT-NAP!

A kitten's best chance of survival is with mom. **Leave the kittens where they are.**

If you want to help, make sure mom has access to shelter, food, and water. Visit tinyurl.com/LBACsvoucher to request spay/neuter vouchers for mom and kittens.

ARE YOU SURE?

Mom may be off hunting or not want to come around if people are present. Watch for her to come back for a few hours.

PRO TIP: Leave a ring of flour around the kittens. Check in a few hours if you see mom's foot prints in the flour!

If the kittens are friendly, utilize social media and your personal network to try and place them in homes.

Visit tinyurl.com/LBACsvoucher to request spay/neuter vouchers for each kitten.
