

Eric Gray

Occupation: Small Business Owner

Age: 40

Long Beach is an amazing city with so much potential. As a local small business owner and a longtime community volunteer, I understand the improvements we need in our neighborhoods. We should preserve our historic past and actively pursue new ideas to ensure a brighter future for us all.

I'm running for Long Beach City Council to bring the creative, pragmatic, and collaborative solutions we need for the 2nd District.

My priorities:

- **Strengthen Economic Development** – by attracting and retaining small businesses and non-profits in our city, developing more middle class jobs, and creating conditions for sustainable growth.
- **Improve Public Safety** – by working with our public safety officials to target and eliminate property crime and bolster our police and fire resources.
- **Enhance Residents' Quality of Life** – by seeking partnerships to increase parking and public transportation options, improve our air and water quality, support the arts, fix our streets and sidewalks, and beautify our neighborhoods.

Let's help Long Beach achieve its full potential. Let's make change together.
