

ERIK L. MILLER

Occupation: **Youth Mentoring Director**

It's time for CHANGE in the 6th District. I am committed to building a safe and healthy community for our families to thrive. We need **NEW** solutions and fresh ideas to move Long Beach forward.

RESTORING CENTRAL LONG BEACH

Public Safety: Build partnerships and provide the resources our police and firefighters need to keep our neighborhoods safe. I will fight to restore the LBPD Gang Unit, reduce homelessness, and prevent gun violence.

Local Jobs for Locals: Partner with our small businesses and local employers to create more good paying jobs for long Beach residents. We deserve a fair chance and more opportunities over outsiders from adjacent counties.

Afterschool Programs and Universal Pre-K: As a youth mentor and non-profit professional, I have the proven experience to bring the needed programming to keep our kids off the streets and towards a great education. Let's make Universal Pre-School a reality in Long Beach.

EDUCATION

Millikan H.S.

Woodbury University, B.A. Architecture

Leadership Long Beach
