

Name: Robert Harmon  
Occupation: Business Owner/Technologist  
Age: 44

As a decorated USS RANGER Top Gun Veteran, I am proud to have served my country. As a dedicated community activist, I have worked tirelessly to organize our fellow neighbors into a grass-roots collective focused on the safety and revitalization of our neighborhoods.

- US Navy, Petty Officer in charge of Operating Room
- Long Beach resident/homeowner for 20 years
- MacArthur Park Neighborhood Association (MPNA), Founder
- Midtown Business Improvement District, Neighborhood Representative

Our district has been under-served and under-valued for far too long. I want to bring fresh ideas and results-driven solutions to our district.

- Renewed focus on keeping our families and streets safe
- Revitalize Pacific Ave/Midtown/Alamitos/Anaheim Street Corridors through responsible development
- Create mentoring programs for our youth and jobs for our residents
- Provide quality social programs and city services our district deserves

I envision a vibrant and prosperous redeveloped 6th District. Based on my years of experience as a business entrepreneur and social justice advocate, I have the proper skill-set necessary to take on the issues that are important to you.

I pledge to listen and continue to work with other like-minded individuals and organizations for positive change to move our district forward.

Please vote Robert Harmon for City Council.
