

It is time for a change in our school board membership in order to open the door for more innovative educational opportunities for all students.

My priorities as your Long Beach Unified School District Board member include:

- Fight of smaller class size and increase support staff at schools by thoroughly examining our budget priorities.
- Ensure student access to modern technology in each classroom.
- Promote careers and internships for all students.
- Promote transparency by utilizing technology to create easier access to school and district information for parents.

Throughout my 30 year career in the Long Beach Unified School District, I have been a classroom educator, an innovator in English Language Learning Programs, an administrator of the Adult Education Program and Reid Continuation High School. I am especially proud of being a part of bringing the first career tech high school to Long Beach – McBride High School.

My community activities include membership in the Assistance League of Long Beach – CAMEO, Pacific Gateway Workforce Board, LBUSD's Measure K Citizens' Oversight Committee and Steel Magnolias.

Please visit my website at www.RosiforLBUSD2016 for more information about my vision for the future of the Long Beach Unified School District.
