

1 of zoning or building regulations ultimately adopted as a result of the current study and  
2 review to be undertaken by the Department of Development Services and the Planning  
3 Commission.

4 Section 2. The City Council specifically finds that until such time that the  
5 City concludes its review and study and adopts appropriate controls to regulate  
6 unattended donation and/or recycling boxes or bins in the City of Long Beach the  
7 resulting potentially negative effects of said uses will pose a current and immediate threat  
8 to the public safety, health and or welfare of the citizens, residents and visitors of the City  
9 of Long Beach.

10 Section 3. Estimated Time for Completion of Study. It is estimated that  
11 the study or studies undertaken in connection with the adoption of this interim ordinance  
12 shall take the Department of Development Services and the Planning Commission  
13 approximately one (1) year to complete. For the purposes of this ordinance, this interim  
14 moratorium study period shall expire no later than March 8, 2018, or at such time as the  
15 City Council does adopt appropriate zoning regulations or development standards related  
16 to all or some of the below mentioned activities, whichever is sooner.

17 Section 4. Prohibition on placement, construction or use of unattended  
18 donation and/or recycling boxes or bins throughout the City. During the term of the one  
19 (1) year interim (moratorium) period, no application for a use permit, building permit,  
20 construction permit, encroachment permit, variance or business license, of any kind, shall  
21 be approved, nor shall any such permit be issued, for any activity that would result in the  
22 placement of unattended donation and/or recycling boxes or bins throughout the City.

23 Section 5. Declaration of Urgency. This ordinance is an urgency  
24 measure, and it is urgently required for the reason that, pending completion of the  
25 necessary planning study, and a determination relative to the potential need to amend  
26 the City's Zoning Code or building regulations, it is necessary to limit construction,  
27 development or placement of unattended donation and/or recycling boxes or bins  
28 throughout the City in order to avoid the adverse impacts associated with said use that

1 might be inconsistent with the pending revisions to the zoning or building regulations of  
2 the City being considered during the interim moratorium period.

3 Section 6. This ordinance is an emergency ordinance duly adopted by  
4 the City Council by a vote of five of its members and shall take effect immediately. The  
5 City Clerk shall certify to a separate roll call and vote on the question of the emergency of  
6 this ordinance and to its passage by the vote of five members of the City Council of the  
7 City of Long Beach, and cause the same to be posted in three conspicuous places in the  
8 City of Long Beach.

9 Section 7. This ordinance shall also be adopted by the City Council as a  
10 regular ordinance, to the end that in the event of any defect or invalidity in connection  
11 with the adoption of this ordinance as an urgency ordinance, the same shall,  
12 nevertheless, be and become effective on the thirty-first (31st) day after it is approved by  
13 the Mayor. The City Clerk shall certify to the passage of this ordinance by the City  
14 Council of the City of Long Beach and shall cause the same to be posted in three (3)  
15 conspicuous places in the City of Long Beach.

16  
17 I hereby certify that on a separate roll call and vote which was taken by the City  
18 Council of the City of Long Beach upon the question of urgency of this ordinance at its
