RE: Support for Senate Bill 1335 (Allen): Solid Waste: Food Service Packaging: State Agencies, Facilities, and Property

Dear Governor Brown:

On behalf of the City of Long Beach, I write to support SB 1335 (Allen). This bill would enact the Sustainable Packaging for the State of California Act of 2018 (Act). As of January 1, 2021, the Act would require a state-owned food service facility to dispense prepared food to a customer using food service packaging that is deemed appropriate by the Director of the Department of Resources Recycling and Recovering that is reusable, recyclable, and/or compostable. This bill is in line with the City of Long Beach's efforts to reduce single-use packaging in our City.

Long Beach has made it a priority to reduce single-use packaging in our City, first by banning single-use plastic bags in 2011 and most recently by banning polystyrene to benefit our community and environment. On April 17, 2018, the Long Beach City Council unanimously approved a local ordinance to phase in a ban on polystyrene products over the course of the next 18 months. Long Beach's ordinance prohibits the use of single-use food and beverage containers made of expanded polystyrene foam, rigid polystyrene #6, as well as non-recyclable food and beverage containers.

SB 1335 is consistent with the City's environmental values. Long Beach appreciates that SB 1335 does not prohibit a city or county from adopting and enforcing more expansive single-use-take-out food ordinances, regulations, or policies than that proposed by this Act.

Given these reasons, the City of Long Beach supports SB 1335 (Allen) and requests your signature on this bill.

Sincerely,

Mayor Robert Garcia
City of Long Beach
