

MAYOR ROBERT GARCIA
CITY OF LONG BEACH

September 1, 2022

The Honorable Gavin Newsom
Governor, State of California

RE: Support for SB 1087 (Gonzalez)—Vehicles: Catalytic Converters

Dear Governor Newsom,

On behalf of the City of Long Beach, I urge your signature on Senate Bill 1087. This bill will help address the statewide challenges surrounding catalytic converter theft by requiring the tracking of catalytic converter purchases and by prohibiting a core recycler from purchasing a catalytic converter from anybody other than authorized sellers.

Catalytic converter theft has plagued communities across California, with some areas in Los Angeles County experiencing an increase as high as 400 percent. We have also seen a significant surge in catalytic converter theft in Long Beach. In 2021, catalytic converter thefts increased by 50 percent compared to 2020 and by more than 300 percent compared to 2019.

The City supports legislation to regulate metal recyclers of second-hand precious metal transfers and transactions. SB 1087 would advance the City's efforts to prevent catalytic converter theft and the sale of stolen goods.

Given these reasons, the City requests your signature on SB 1087.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Garcia".

Mayor Robert Garcia
City of Long Beach
