**RE: Support for AB 1215 (Carrillo)—Pets Assistance with Support Grant Program**

Dear Assemblymember Carrillo,

On behalf of the City of Long Beach, I write in support of AB 1215. This bill would create the Pets Assistance with Support (PAWS) Grant Program to award grants to homeless shelters and domestic violence shelters for food and basic veterinarian services for pets owned by people experiencing homelessness or escaping domestic violence. AB 1215 aligns with the City's objectives to support legislation and funding that reduces homelessness.

The City's 2022 count found that approximately 3,300 people are experiencing homelessness in Long Beach at any given point in time. The City estimates that nearly 20 percent of people experiencing homelessness in Long Beach own pets, and these pets are allowed in Long Beach homeless shelters with their owners. AB 1215 will provide the funding needed for pets to receive food and basic veterinarian services while their owners access City services.

AB 1215 aligns with the City's efforts to reduce barriers to shelter by ensuring resources for pets owned by people experiencing homelessness. For these reasons, the City supports AB 1215.

Sincerely,
