Subject: **Greenbelt Heights Grand Opening Event – Saturday, September 10, 2016**

Mayor Robert Garcia, Councilwoman Suzie Price, and the Departments of Parks, Recreation and Marine and Public Works invite you and your staff to a grand opening event for the Greenbelt Heights project. The event will take place at the Pacific Electric Right of Way Greenbelt, located between E. 7th Street and E. 8th Street on Saturday, September 10 at 4:30 p.m.

The project involved the construction of a ten-foot wide decomposed granite pathway along the length of the 2.5-acre greenbelt. Trees and shrubs were planted throughout the area, and the site plan was designed to preserve existing trees. A manual irrigation system was installed, the existing perimeter fencing was repaired, and dog waste disposal bag dispensers were added. The development of the area is a welcome addition to the neighborhood.

Musical entertainment and refreshments will be provided. For more information, please call (562) 570-3150.

We look forward to having you join us.
