Subject: 2017 "Year in Review" Report

I am pleased to present to you our [2017 "Year in Review"](#) report. The report revisits some of the major actions and achievements resulting from the Mayor and City Council's policy direction, and the efforts of our dedicated and talented City staff. We accomplished a great deal during the past 12 months. Truly, there is much we should be proud of.

The report will be posted on the City's website, and a press release regarding its availability will be issued shortly. If you would like to order additional copies to distribute to key community members, please contact Angela McGrath at 570-5029.

In conjunction to the release of the report, we will highlight the 10 most significant news items for Long Beach this year through a social media countdown, releasing one story per day on [Facebook](#) and [Twitter](#), beginning Thursday, December 21. The No. 1 story of 2017 will be posted on Saturday, December 30, at 6:00 pm.
