

City of Long Beach

Working Together to Serve

Memorandum

Date: November 15, 2017

To: Patrick H. West, City Manager *T.M.L.*

From: Jess L. Romo, Director, Long Beach Airport *JLR*

For: Mayor and Members of the City Council

Subject: Long Beach Airport Parking Structure A Reopening

Long Beach Airport has completed renovations to Parking Structure A in time for the busy holiday travel season. Improvements to the structure, which is located nearest to the Historic Terminal, allow for improved pedestrian and vehicular traffic flow, and include a new dual-cab elevator tower with glass windows overlooking the Terminal and airfield, an outdoor stairwell adjacent to the elevator tower, a new dual-lane passenger vehicle exit, and significant aesthetic improvements, including interior and exterior painting and landscaping of the areas surrounding the structure.

You are invited to attend the ribbon cutting ceremony for the structure on Wednesday, November 22, 2017, at 9:00 a.m. Please RSVP to ken.mason@longbeach.gov or by calling (562) 570-2607 by November 17, 2017.

An event flyer is attached. For more information, please contact Stephanie Montuya-Morisky, Public Affairs Officer, at (562) 570-2679.
