Subject: **Measure A Chalk Art Extravaganza at Burnett Neighborhood Library – May 30, 2018**

Mayor Robert Garcia, Councilmember Dee Andrews, and the Library Services Department, in partnership with Measure A communications staff, invite you and your staff to attend the Measure A Chalk Art Extravaganza at Burnett Neighborhood Library on Wednesday, May 30, 2018, at 2:00 p.m. The Library is located at 560 E. Hill Street.

Approved by voters as a ten-year sales tax to fund public infrastructure and public safety services, Measure A has invested \$850,000 to date in libraries citywide. The City has recently completed major construction efforts at five libraries with additional ADA enhancements forthcoming.

The Burnett Neighborhood Library is one of the library sites that recently had work completed is Burnett Neighborhood Library. Measure A funded the repair and resurfacing of the parking lots, which have provided a pristine canvas for chalk drawing by the many students of Bobbie Smith Elementary, who regularly frequent the branch after school.

The theme for the event is "Building a Super Long Beach." Assisted by library staff, youth will be encouraged to draw their versions of a super Long Beach.

We look forward to seeing you at this exciting event. For more information, please contact Desiree Gutierrez, Financial Management Communications Officer, at (562) 570-5686 or desiree.gutierrez@longbeach.gov.
