Subject: **Groundbreaking Ceremony for new Admiral Kidd Park Playground – Friday, March 31, 2023**

Mayor Rex Richardson, Councilmember Roberto Uranga, and the Departments of Parks, Recreation and Marine and Public Works invite you and your staff to attend the groundbreaking ceremony for the new Admiral Kidd Park Playground. The ceremony will be held on Friday, March 31, 2023, at 1:00 P.M. at Admiral Kidd Park, located at 2125 Santa Fe Ave.

With the support of Partner of Parks Long Beach (POP), the City of Long Beach has received brand new playground equipment to rebuild a nautical-themed children's play area and enhance the playground with a new zip-line feature, new pathways to provide access to a playground ramp, friendship swings and harness swings, and additional safety elements and site enhancements such as shade structures and lighting. The funds raised, along with the City of Long Beach Measure A infrastructure dollars and a Community Development Block Grant (CDBG), supports the rebuild and enhancements of this important community asset.

Please contact Joy Contreras, Community Relations Officer, at joy.contreras@longbeach.gov or at (562) 570-6739. We look forward to seeing you at this exciting event!
