EASBA Finalizes Plans to Install "Eyes on Anaheim"

Last week, I met with the East Anaheim Street Business Association to finalize plans to place security cameras along Anaheim Street. The EASBA Business Improvement District covers Anaheim Corridor businesses from PCH to Junipero. The plan to install security cameras has been in the works for quite some time, and it involves a collaboration with Platt Security, City of LB Technology & Innovation, EASBA, LBPD and the 4th Council District. We're very happy to see this plan finally come to fruition, and we'll have more details in future newsletters.

I to r: Marc Platt, President/CEO of Platt Security; John Black, Wireless Communications Manager for the City of Long Beach; Tracy Ames, EASBA Board President; Kristine Hammond, EASBA Executive Director and LBPD Officer Jesus Espinosa.

Long Beach Fire Department Graduation Ceremony

Last Saturday, I attended the Long Beach Fire Department graduation ceremony for the Recruit Firefighter's Class of 2016A. The ceremony took place at the LBFD Regional Training Center, 2249 Argonne Avenue. Congratulations to the graduates and thank you for your service to our community!

Vigil Held for Orlando Shooting Victims

On Sunday night, I attended a vigil for the victims of the Orlando tragedy that occurred Saturday night. There were an estimated 300 people in attendance. Speakers included Mayor Robert Garcia and the 4th district's Rev. Libby Tigner of the Los Altos United Church of Christ.

Monthly Briefing From Public Works Last Monday

Each month, we meet with Public Works to go over our districtwide projects. This is in addition to our daily contact with PW on individual issues. With our Atherton and 10th Street projects completed, we are now concentrating on residential streets. The Park Avenue repave includes the smaller streets, Malta and Gish, which connect to Park.

These were included in the Park Avenue repave to ensure proper drainage throughout the area.

Return to the Long Beach Home Companion

On Wednesday night, the Long Beach Playhouse presented its sixth annual "Return to the Long Beach Home Companion" at the offices of Keesal Young and Logan. It was both an honor and a lot of fun to participate in this year's event. Harry Saltzgaver wrote a hilarious script, complete with sound effects, witty banter and bad puns. Performers included: Mayor Beverly O'Neill, Doug Haubert, Gigi Fusco Meese, Doug Otto, Al Austin, Lou Anne Bynum, Evan Anderson Braude, Stacy Mungo, Justin Rudd, Mitchell Nunn, and myself.

Fireworks are Illegal in Long Beach

The 4th of July holiday is a great day to spend with friends and family and celebrate this great country's independence. The Long Beach Police Department encourages those celebrating the holiday to do so in a safe and responsible manner. I am reminding residents and visitors that all fireworks, including those marked "Safe and Sane," are illegal in the City of Long Beach.

The Police Department will be out in force the days leading up to and on July 4th to ensure compliance with the Long Beach City Ordinance that bans fireworks. Anyone found in violation of the city ordinance may be cited or arrested. Those found in violation may be faced with a \$1,000 fine, sentenced to jail for six months, or both. The fines and penalties may increase depending on the fireworks' classification. Call the Long Beach Police Dispatch at (562) 435-6711 or 9-1-1 if you observe dangerous or illegal activities.

And Finally

Choose Your Ride this Weekend

The Long Beach Police Department Traffic Section will conduct a DUI/Driver License Checkpoint on Saturday, June 18 between the hours of 7 p.m. and 3 a.m. Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, and other expenses that can exceed \$10,000. Law

Enforcement emphasizes the preventable nature of drunk driving, reminding everyone that all it takes is a little planning ahead. Designate a sober driver or call a cab. But whatever you do, don't drink and drive.

Choose Your Ride: \$20 taxi cab or \$10,000 police car
