Past Events

LBACS Adoption Waggin'

On Tuesday, Long Beach Animal Care Services held a mobile adoption clinic at Whaley Park during the Long Beach Municipal Band Concert. The van is air conditioned to help keep the animals safe from the summer heat. The Adoption Waggin' will be making its way to various locations, so keep a lookout when they come to a park near to you! You can find more info [here](#).

Face and Fay were two of the dogs that attended the Municipal Band Concert

Long Beach Municipal Band at Whaley Park

I stopped by the Long Beach Municipal Band Concert at Whaley Park after the City Council Meeting on Tuesday. This was the last Municipal Band Concert in the Fourth District. Our office will be hosting a community concert on Saturday, August 26 at Whaley Park featuring [Pop Vinyl!](#) We hope to see you there.

Veggies from the LBCG

Fourth district resident, Lonnie Brundage, is a longtime member of the Long Beach Community Garden. She sent us these photos of the bountiful harvest of LBCG vegetables last month. Over 400 pounds of produce were delivered to the Long Beach Rescue Mission, and that doesn't include the 85 cucumbers Lonnie picked from the Food Bank Plot. For information on the LBCG, please visit their [website](#).

Public Safety Committee Meeting in the Fourth Council District

Thursday evening, we held the Public Safety Committee at the Fire Training Center in the Fourth District. The Committee will be holding meetings at different locations and times than usual in an effort to be more accessible to Long Beach residents. We had about 15 people attend this meeting. We heard many valuable staff reports about the Quality of Life Teams, electronic road flares, this year's fireworks and more. Thank you to the city staff and residents who attended this committee meeting.

Go Fourth! and Save by Shopping Local

Our office has received a couple emails from residents who do not like the new, voter-enacted, sales tax increase. One resident suggested that people might drive to Signal Hill or Lakewood to pay 1% less (9.25% instead of 10.25%) on purchases. Here's something to consider before spending the gas money and drive time to save one dollar on a hundred dollar purchase: We have great retailers in CD4, and they often have great sales events. For example, J&L Fine Jewelry is having a "25% off everything!" sale this Saturday. If you do the math, that's a 24% net savings by shopping local.

Photo Exhibit from District 4's Jim Coke

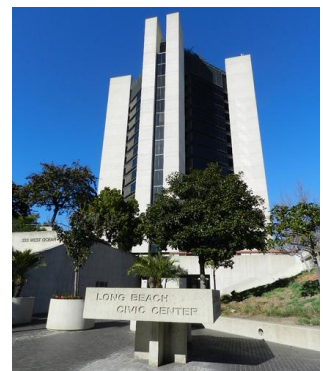

We don't often feature out of town events, but there's a big 4th district connection to this one. Our CD4 Arts Liaison, Jim Coke, is having a photo exhibit opening tomorrow night. The show, titled "Beat Beat Beat", features Jim's 50-year-old photos of the California counterculture. Photos include The Doors performing at LA's first rock festival on July 15, 1967 (exactly 50 years ago to the day), Allen Ginsberg reading outdoors at USC, the Human Be-In at Griffith Park, anti-draft demonstrators and cops, all documented in black and white. The original 35mm film, presumed lost, was discovered as

unprinted negatives in storage (in a CD4 garage) after decades. Please visit the event's [Facebook page](#) for more information. Images © Jim Coke.

Next on the Council Agenda: July 18

The city council meeting is scheduled to begin at 5 p.m. in the council chambers on the ground floor of City Hall, located at 333 W. Ocean Blvd. City council meetings are broadcast live online and are also available on Channel 3 for Charter cable subscribers and Channel 21 for FIOS subscribers. Here is some of the topics that will be discussed at Tuesday's city council meeting:

- The council will discuss awarding a contract to Digital EMS Solutions Inc. for providing a new Electronic Patient Care Report System. This new system will enable LBFD to use a more efficient process in documenting and reporting patient care at the incident.
- The council will discuss requesting the City Manager to return to council in 120 days with a plan to incentivize the use of underutilized parks. Policies that could be re-reviewed include: parking fees for organizations that activate programs and providing umbrella permits for annual community events vs. having to apply each year.
- The council will discuss approving a request for contract with Sequel Contractors, Inc. for street improvements along Bellflower Blvd., between PCH and Atherton. The street rehab work will include improvements to damaged curbs, gutters, driveways,

alley entrances, and sidewalks. One northbound lane on Bellflower will be closed during construction to create a new Class IV bikeway separated from vehicular traffic. Construction is supported by a grant award under the CalTrans Bicycle Transportation Account.

This is just a small selection of the topics to be cover at next week's city council meeting. Public comment is also available. The entire agenda can be found here. To see the schedule and agenda for all upcoming city meetings, click [here](#).

Meals on Wheels 5K August 5th - Registration Still Open!

The poster for the 2nd Annual Meals on Wheels of Long Beach 5K event is set against a blue sky with white clouds. At the top center is the SuperCareHealth logo with the tagline 'Expect Above and Beyond'. To the left is the Port of Long Beach logo, and to the right is the scan logo. The central text reads '2nd Annual Meals on Wheels of Long Beach 5K' in a red, curved font, with a graphic of a person in a wheelchair running. Below this, it says 'Support Homebound Disabled Veterans in Long Beach'. Underneath are icons for 'Run', 'Walk', 'Roll', and 'Stroll'. The date 'August 5, 2017' is prominently displayed. At the bottom, logos for HealthCare Partners (A DaVita Medical Group), Century Villages at Cabrillo, EM BANK, and LONG BEACH CITY COLLEGE are visible. There is also a small logo for 'THE ROCK CLIMB'.

And Finally

From Bob's to Blockbuster to Chase

Depending how long you've been around Los Altos, you may remember the Chase Bank at 2220 Bellflower Blvd. as Blockbuster Video or Bob's Big Boy. In the 1960's, the restaurant was a favorite hangout of high schools students and was packed on weekend nights. The building was designed by the architectural firm of Armet & Davis (now Armet Davis Newlove) and is a great example of Googie architecture. The photo below was sent to me by Victor Newlove, and it was used in a [video](#) he made describing Googie architecture. The photo is not the Los Altos location, but the buildings, along with 70 others, were identical. The CD4 restaurant had a different sign, and the Big Boy statue was next to the front door.

100 Days of Summer

Long Beach Parks, Recreation and Marine encourages everyone to "stay and play" in Long Beach during the "100 Days of Summer" from Memorial Day to Labor Day. There is no reason to travel far or spend a lot of money to have fun with your family and friends.

Free concerts and movies, free family recreation programs, and activities at El Dorado Nature Center, Homeland Cultural Center, Rancho Los Alamitos and Rancho Los Cerritos are scheduled all summer long. There is also spontaneous fun available like biking, hiking, golf, tennis, kayaking, swimming and free drop-in youth and teen programs at local parks.

The City of Long Beach and the Long Beach Convention and Visitors Bureau will post hundreds of activities on www.100DaysofSummer.org to make planning each of your 100 days easy and fun.

El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals and plant life. Two miles of dirt trails and a ¼ mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
