Community Hospital Update

We are still accepting input from our stakeholder meeting, and you can view the current list on the CHLB Foundation [website](#). Submissions can be made to our office or to the Foundation. The Signal Tribune did a nice job of covering the October 16th stakeholder meeting, and you can read their article at this [link](#). On Wednesday, I was interviewed by Spectrum News which included a tour of the entire hospital. We'll let you know when that video is available. During the tour, I was able to take the photo below from the roof of the tower building.

Past Events

Bloom Salon & Spa Grand Opening

On Saturday, I had the honor of participating in the grand opening of Bloom Salon and Spa at 4126 E. Anaheim Street. New owner, Marissa Flores, performed the official ribbon cutting along with family and friends. Bloom Salon & Spa is offering a 10% student and first time customer discount. Visit their [website](#) for more information. Congratulations Marissa!

Another Dirt Alley Bites the Dust

We're happy to report that another dirt alley in CD4 has been paved. The project is wrapping up today, and it encompasses the north/south alley that runs from Anaheim St. to 14th St. between Molino Ave. and Ohio Ave. The LB Public Works Alley Management Plan was completed in 2017, and it rated every alley in the City. The focus for the first three years targets the dirt alleys that have never been paved. \$5M of Measure A funding is being used from 2018 to 2020 to pave every dirt alley in the city.

New Caltrans "Bioswale" Stormwater System

Construction is underway for a new stormwater management project that will filter and reduce runoff rainwater from the 405 Fwy to CD4 streets and storm drains. Caltrans is building an environmentally friendly bioswale that will slow water infiltration and remove pollutants. Mitigation of stormwater in this manner will relieve the pressure on our storm drains and filter out toxins at the same time. The bioswale location is on the south side of the 405 Freeway just east of Clark Ave. adjacent to 25th Street.

And Finally

Halloween Safety Tips from LBPD

With Halloween right around the corner, the Long Beach Police Department would like to

encourage community members to practice the following safety tips to help ensure a fun and safe Halloween:

- Be sure your child's activities are age-appropriate
- All children should be accompanied by an adult
- Only visit homes that are well-lit and never go into a stranger's house
- Stay on the sidewalk and only cross at corners
- Stay in well populated areas and never cut through alleys or parks
- Apply reflective tape to your child's costume or use glow sticks for better visibility
- Use face paint rather than masks that may block your child's vision
- Map out your route ahead of time and carry a flash light with you
- Ensure tips of any props (pitchfork, sword, etc.) your child is carrying are smooth
- Be cautious of animals and keep your pet(s) indoors
- Inspect your child's candy before allowing them to eat it
- Report any suspicious or illegal activity by calling 9-1-1 immediately
- Motorists are advised to be extra cautious on Halloween night and to drive slowly
- Do not drink and drive; plan ahead and designate a driver or call for a ride.

The curfew law in Long Beach prohibits anyone 17-years-old or younger from being out past 10:00 p.m. without a parent/guardian, unless going to or returning home from work or an organized event supervised by an adult, without any detour or stop.
