Past Events

Cleaning Up Zaferia With Military Precision

We had another successful WESCA neighborhood clean up last Saturday with help from some very special volunteers. Twenty-five cadets from the CA National Guard "Starburst Academy" joined the effort. They helped remove over 15 flat screen televisions, 7 refrigerators, 5 water heaters, lots of mattresses, couches and other furniture along with a few Christmas trees. Neighbors Chris and Michelle McDaniel brought along a friend, and they worked with regulars Jim Busher and Max Stewart. Thanks to all the volunteers, and special thanks to the cadets. It was quite an experience for me to hand out doughnuts and hear back 25 times, "Thank you Sir".

Community Meeting With LGB Director

Our special guest speaker at Wednesday's CD4 Community Meeting was Long Beach Airport Director, Cynthia Guidry. It was her first appearance at one of our monthly meetings since being named LGB's Director last August. A large crowd was on hand to hear about the airport and community updates. Thanks to Director Guidry, LGB staff and the many residents for attending. Our community meetings are held on the last Wednesday of the month from 5-6 pm at the Los Altos Library. Hope to see you at our next meeting on February 26th.

New Yoga Studio Coming to Los Altos

I had the opportunity to meet Aaron Warren who is bringing Manipura Power Yoga to Los Altos. The studio will be in the former 2nd Street Beauty location at 5518 E. Britton Drive. Aaron explained that Manipura Power Yoga is a platform to guide the student through movement and breath. By warming up the body, the muscles are able to come into alignment with the bones physically building strength and stamina. I'm pictured with Doug Shea representing the property, Aaron Warren and property owner Jerry Bloeser.

Possible Plan in the Works for the Los Altos Sears Building

On Monday, we received notice that the Department of Development Services has received an application for a project in the Fourth District at 2100 N. Bellflower. The applicants are requesting to establish 144,500-square-feet of multi-tenant retail, restaurant and fitness use in a former three story retail department store in the Community Automobile Oriented (CCA) Zoning District. There is currently no hearing date, but we will provide updates as information becomes available.

And Finally

Super Bowl Sunday on Groundhog Day

There are plenty of places to watch the Super Bowl in the 4th district from Joe Jost's in Zaferia to E. J. Malloy's in Los Altos. For only the second time in the 54 year history of the Super Bowl, the game will be played on Groundhog Day, Sunday, February 2nd. The only other time it occurred was in 2014. This year, the Kansas City Chiefs will take on the San Francisco 49ers. The last time the Chiefs were in the big game was Super Bowl IV in 1970. The 49ers last appearance was in Super Bowl XVIII in 2012. Kickoff for Sunday's game is at 3:30 pm PST, so there will be plenty of time for those seemingly endless pregame shows. We spotted single-panel comic below that illustrates the point.
