Long Beach Transitions from VaxLB to My Turn

Long Beach has completed offering appointments through VaxLB for all eligible groups. The City has transitioned to My Turn, the State's COVID-19 vaccine notification and appointment system. My Turn is now required by the State and is intended to help manage vaccine distribution. All residents age 16 and over can now make appointments on My Turn.

Past and Ongoing Events

Applications NOW Open for New Rental Assistance Program

The City of Long Beach Development Services Department is now accepting applications from landlords and tenants for the Long Beach Emergency Rental Assistance Program (LB-ERAP), the new program that was established under the Long Beach Recovery Act [approved last month](#) by the City Council. Applications may be submitted via an online information and service portal that can be found [here](#). The application period will close on May 12, 2021, if enough applications have been received to exhaust the funding. If funding remains, the application period will be extended on a weekly basis until all available funds are obligated. Read more about the program at this [link](#).

CD4 Animal Advocate Champions Humane Education

Judy Crumpton, longtime animal advocate and Council District 4 resident, is a huge supporter of integrating animal welfare into childhood reading. This utilizes kids' natural attraction to animals to encourage reading. She introduced us to the "Red Rover Readers" program last year. We featured it in our newsletter in March, and the LB Parks & Rec Department launched the program just before the pandemic hit. Last month, Judy was featured in a LBPost article with in-depth coverage of the topic. She's hoping to regain the momentum in coming months, and we'll keep you posted on her progress. You can read the entire LBPost article at this [link](#).

Animal Care Services Reports Distemper Outbreak

Long Beach Animal Care Services (ACS) is notifying the public of a critical animal health situation. A distemper outbreak has been reported, affecting more than 38 raccoons and at least one skunk, primarily in the east Long Beach area. Please read the entire press release at this [link](#).

FY 2021 Furlough Suspension

COVID-19 has resulted in severe and unprecedented global economic impacts, and for the City, we have had to make some very difficult choices. One of those was the need to identify employee contributions and savings that resulted in negotiated employee furloughs to assist with these financial challenges. With the recent approval of the Long Beach Recovery Act, the City is looking to

provide relief to City employees. Specifically, while recognizing that prior furlough savings are still needed to balance the budget, the City Manager has put forth a plan to discontinue the remaining furloughs and end the program early. The Mayor and Council have approved the plan, and furloughs will end effective April 17, 2021.

Cambodian Remembrance & Renewal Event Tonight

April 16th | 6:00 pm | virtual event streaming live

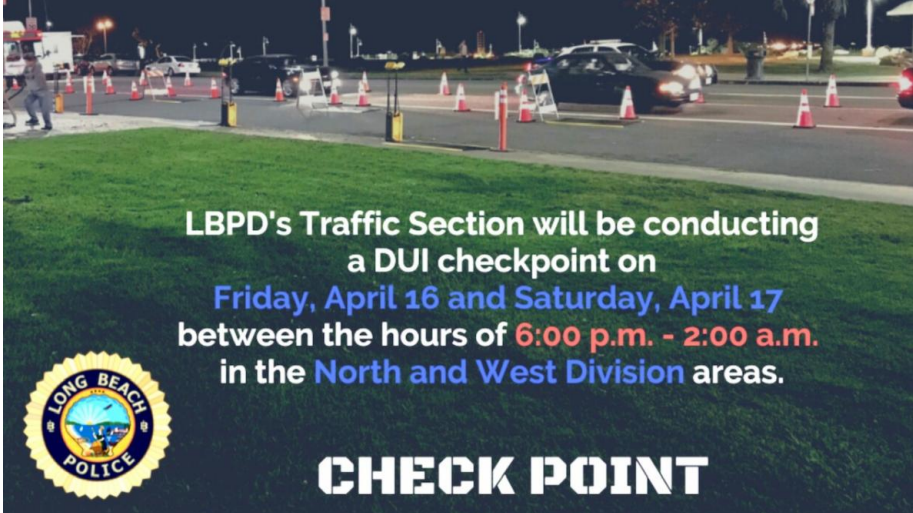

Councilwoman Suely Saro is hosting "Remembrance & Renewal" honoring Cambodian New Year and Genocide Remembrance Day by celebrating Cambodian American Stories. It is a virtual event that will stream live tonight at 6:00 pm at [Facebook Live](#) and [YouTube](#). It is an honor for me to participate in the candlelight vigil. LB Police Department DUI Checkpoint Friday & Saturday

April 16-17 | 6:00 pm - 2:00 am | LBPB North & West Divisions

The Long Beach Police Department will be holding DUI Checkpoints on Friday, April 16 and Saturday, April 17 from 6:00 pm to 2:00 am. The locations will be in the North and West Patrol Divisions, respectively. Checkpoint locations are chosen based on a history of DUI crashes and arrests. The primary purpose of checkpoints is not to make arrests, but to promote public safety by deterring drivers from driving impaired. You can read the entire press release at this [link](#).

LBPD's Traffic Section will be conducting a DUI checkpoint on **Friday, April 16 and Saturday, April 17** between the hours of **6:00 p.m. - 2:00 a.m.** in the **North and West Division** areas.

And Finally

Los Coyotes Diagonal: Avenue, Street or Both?

This early 50's photo of Los Altos was posted on the facebook site of the Historical Society of Long Beach. The accompanying text stated that despite the meandering nature of the new roadways, urban planners stuck to the early Long Beach decision to designate east-west roads "streets", and north-south roads "avenues". This begs the question, is Los Coyotes Diagonal numbered as a street or an avenue? The answer is both. From the traffic circle (4400 block) to Bellflower Blvd. (5500 block), LCD is numbered as an east-west street. North (or east) of Bellflower, it is numbered as a north-south avenue. It is unknown why this decision was made, but the answer may be revealed in the photo. It shows that LCD ended at Bellflower Blvd., so there was time to rethink the numbering system when the northern extension was built. If you're wondering if 4400 E. Los Coyotes Diagonal repeats anywhere up the line, the answer is no. LCD dead ends at the San Gabriel river in the 4200 block.
