Past and Ongoing Events

Knyght Ryder Concert a Huge Success!

Thanks to all who joined us Friday night for the End of Summer Concert featuring Knyght Ryder. We had a huge turnout, and the dance floor was packed the entire time. Also thanks to CD4 resident, Christina Martinez, for reaching out to request the event. We're happy we could deliver on the request, and let's do it again next year! Special thanks to the Long Beach Airport for co-sponsoring, to Special Events for their help and to CD4 staff, Isabel, Ana and Ramon for organizing the event.

LBDP East Stops Street Racing Takeover in its Tracks!

On Saturday, August 20, 2022, at approximately 9:45 p.m., officers responded to a parking lot in the area of Bellflower Boulevard and Spring Street after receiving calls about vehicles doing donuts in the lot. Upon officers' arrival, many street takeover participants fled the area. Officers took enforcement action, which included impounding a truck they observed performing illegal maneuvers and issuing a citation to the driver for exhibition of speed. With the cost of a citation, towing and impound, we thought of a twist on the expression "dollars to donuts". The photos below could be captioned "donuts = dollars".

El Dorado Library Reopening

We are pleased to report that the El Dorado Neighborhood Library reopened on Wednesday, August 24th. What began as a one-day building maintenance closure (so we thought) turned into a much more serious issue that extended to a 22-day closure. The good news is that El Dorado has been given a clean bill of health and is once again serving its loyal patrons.

City of Long Beach Labor Day Holiday Closures

In observance of the Labor Day holiday on Monday, September 5th, the City of Long Beach facilities and services listed in the [press release](#) will adhere to special schedules. There will be no scheduled street sweeping or enforcement of street sweeping violations on Monday, 9/5. Refuse/Recycling Trash and Recycling will be collected as scheduled on Monday, 9/5.

MWD Asks for 15-Day Watering Restrictions

An emergency repair to a pipeline bringing water to Southern California has led to a regional call for significant water use reduction for up to 15 days starting Sept. 6. Metropolitan Water District of Southern California, or MWD, the agency that provides imported water to much of the region, needs to repair a leaking pipeline that brings water from the Colorado River to the region. About 30 percent of Long Beach Water is purchased from MWD, with the rest coming from local groundwater wells and reclaimed water facilities. You can read the LBWD memo at this [link](#).

4th Annual Ranchos Walk

September 10th | 8 am - 2 pm | Rancho-to-Rancho

Ranchos Walk 2022 will take place on Saturday, September 10th. Take a walk through history and follow a high ridge trail that links Rancho Los Alamitos and Rancho Los Cerritos. The 9.4-mile scenic walking route will start near the entrance to Rancho Los Alamitos and then connect the CSULB campus, Reservoir Hill, Hilltop Park in Signal Hill, Willow Springs Park and finish with a celebration at

Beach Streets University Returns to CD4

September 17th | 10 am - 4 pm | Atherton | Bellflower | LCD | Spring

And Finally....

CSU's Photo of the Year Competition

Photographers from each of CSU's 23 campuses shared their favorite shot from the 2021-22 school year and why it captures the CSU spirit. CSULB campus photographer Sean DuFrene took the photo below of track and field athlete Tiana Prince during a steeplechase workout. From the description: "The photograph encapsulates the talent and determination of CSULB's student-athletes, even in the midst of a global pandemic". Cast your vote for Photo of the Year until September 6th at this [link](#). The winner will be recognized at an upcoming CSU Board meeting.

If you're not familiar with the steeplechase, the event originated in [Ireland](#) where horses and riders raced from one town's [steeple](#) to the next. The steeples were used as markers due to their visibility over long distances. As it converted to a running event, along the way, runners inevitably had to jump streams and low stone walls separating estates. The running event has been a part of every Olympic Games since 1900 and is part of NCAA track and field competitions.
