Past and Ongoing Events

Long Beach Police Dept. Holiday Safety Tips

With holiday shopping underway, the Long Beach Police Department would like to remind our community to practice their safety tips, which may prevent you from becoming a victim. Check the flyer at this [link](#) for safety tips while shopping, at your home and at your business. LBPD would also like to remind everyone that "If You See Something, Say Something." Report suspicious activity by calling (562) 435-6711 or 9-1-1 for emergencies.

Sidewalk Vending Survey Available Online

The City of Long Beach is initiating its outreach efforts to receive community input on sidewalk vending. City staff is gathering community perspectives to assist in the development of rules and regulations. The survey is anonymous unless you choose to share your contact information; demographic questions are also

included. Responses are due by Sunday, Dec. 18, 2022. For more information, call [\(562\) 570-6211](tel:5625706211) or read the press release at this [link](#). Take the survey [here](#).

LGB Issues Memo on Flight Slot Allocation

Yesterday, December 1st, the Long Beach Airport issued a memorandum on the air carrier noise budget and flight slot allocation. Our Noise Ordinance requires the Airport to evaluate noise budgets annually to ensure compliance with the noise budget limits. This year's analysis has determined that five (5) additional supplemental flight slots need to be added to align with the air carrier noise budget. The carriers currently on the supplemental waiting list are: Breeze Airways, Swoop, American Airlines, Hawaiian Airlines and Southwest Airlines. Placement on the list does not guarantee the carrier will utilize the slot. You can read the LGB memo at this [link](#).

Unleaded Aviation Fuel at LGB

This morning, December 2nd, Airport Director, Cynthia Guidry, provided a report on the transition to unleaded aviation fuel at the Long Beach Airport. This was in response to a City Council request made on October 18, 2022. In her memorandum, Director Guidry stated that the airport does not participate in the procurement or sale of aviation fuel. Instead, Fix Base Operators (FBOs) provide those services to the general aviation community. Commercial airliners and business jets use Jet A fuel which is unleaded. You can read the entire memo at this [link](#).

And Finally....

Porsche... There Is No (Parade) Substitute

When asked what is the hardest part about being a councilman, I have an immediate answer. Several years ago, I attended a local parade where no Long Beach car dealers were represented. Instead, a VW dealership from Orange County was getting all the free publicity. That prompted me to approach Circle Porsche with the proposal to participate in our parades. I thought a prestigious dealership located at the traffic circle since 1969 should be prominently featured, and they agreed. Since 2015, Circle Porsche has provided our office with a 911 Cabriolet parade car for the Belmont Shore and Pride parades. In 2019, they switched to a bright green Macan for the Belmont Shore event due to the threat of rain. Thanks to Circle Porsche for being part of our local events and truly embracing the Go Fourth! spirit. So what is the hardest part of my job as a councilman? Returning the car to the dealership after the parade.
