Past and Ongoing Events

San Gabriel River Bike/Walking Trail Update

Last week, I met with the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC) to discuss the proposed San Gabriel River bike and walking trail. RMC is the State agency that received the \$4.3 million in funding for the project from Assembly District 70. Our understanding was that the scope of the project included the west side of the river from Carson St. to the ocean. It came as a complete surprise when we were informed the new trail will not extend north of 7th Street, and none of the project will be in the 4th council district. The RMC did not know why the project was scaled down, but the issue will be on the agenda for their next meeting on November 28th. Community members can engage with RMC at www.rmc.ca.gov or by email at info@rmc.ca.gov or by phone at (626) 815-1019. You can reach the Assembly District 70 Long Beach office at Shane.Weaver@asm.ca.gov or (562) 429-0470.

And Finally....

Supernaws Resting Easier at Sunnyside

Next Saturday, October 29th, I have the great honor of speaking at Sunnyside Cemetery for the the Historical Society's annual "Cemetery Tour" event. I have been invited each year since 2016 to speak at my grandparent's gravesite. In 2019, I was contacted by the Press Telegram's Rich Archbold about the details of my presentation. I told him the talk is about my grandparents coming to Long Beach from the Midwest, but they were no different from the thousands of families that made the same journey. He also asked for the photos I used in the presentation, and he expertly wove them into an article that appeared online and in the newspaper. Many people have told me they really enjoyed reading the article, so we're posting the link [here](#). I'll be making four presentations next Saturday on the half hour beginning at 11:30 am. Tickets can be purchased on the HSLB website [here](#). Many thanks to Rich Archbold for a great job on the article.
