Past and Ongoing Events

College Estates Park Community Meeting

We had a full house of 80 neighbors at the College Estates Park community meeting on Monday night. Pickleball dominated the discussion, but we also covered other topics including off-leash dogs and “re-visioning” the park. We’re looking forward to the next meeting where that process can begin. Apart from the meeting, pickleball issues surfaced later in the week that led to Parks & Rec closing the courts. The sign at the courts states that pickleball has been “phased out” at College Estates Park. We’re hopeful this will expedite the process of identifying other pickleball court locations. Questions can be directed to PRM at (562) 570-3170.

CD4 Community Meeting at Los Altos Library

We had a nice turnout for our first Council District 4 community meeting at the Los Altos Neighborhood Library since February 2020. It was great to see everyone in person again. Special

thanks to guest speakers LBPD Chief Wally Hebeish and Lt. Hughes from the East Patrol Division. Commander Richens was attending an awards ceremony for Lt. Benson who was recognized for her work in traffic enforcement training including street racing takeovers. We'll have more on that topic in next week's newsletter.

Simply Salad Ribbon Cutting

Open Daily 10:30 am - 10 pm | 1775 Ximeno (next to Starbucks)

Yesterday, we had the honor of welcoming Simply Salad to CD4. Natalie Leighton from the Chamber of Commerce and I were joined by co-owners (l to r) Bruce Teichman, Daniel Gonzalez and Cameron Lewis for the official ribbon cutting. The best part of the event was sampling their great food, and I highly recommend their wraps. Check out the entire Simply Salad menu at this [link](#).

Embracing the Go Fourth! Spirit for Halloween

Last year, CD4 resident Don Allison carved a "Go Fourth!" pumpkin that we featured in our newsletter, and readers told us how much they liked the special carving. It did, however, receive mixed reviews from the two granddaughters of the 4th as seen in the photos below. Thanks, again, to Don for truly embracing the Go Fourth! "spirit".
