Past and Ongoing Events

LBSU Men's Volleyball Wins 4th NCAA Title

We are so incredibly proud of our CSULB Men's Volleyball Team! On Monday, in front of more than 3,000 fans at the Ohio State's Covelli Center, No. 1 Long Beach State captured its fourth NCAA National Title in program history. The Beach swept No. 3 UCLA, [25-17, 25-23, 25-21] as Freshman Moni Nikolov was named NCAA All-Tournament MVP. Skyler Varga and Alex Kandev joined Nikolov on the NCAA All-Tournament team. Congrats to all the players, coaches and everyone associated with this major milestone. While this is fourth title overall (Go Fourth!), it is the third title since I've represented Council District 4. It's been great to celebrate each of those championships! We have additional coverage in the LBPD/LBFD item below and in our "And Finally" feature.

LBPD and LBFD Join the Celebration!

CSULB and CD4 want to thank both LBPD and LBFD for their assistance and participation in the NCAA Championship celebration. Fire Engine 22 from Station 22 at Atherton and Palo Verde went above and beyond in their support. "Double Deuce" pulled double duty with participation at the Pyramid celebration on Tuesday and the Downtown Parade on Wednesday. Special thanks to our first responders for making the celebration so great! Photo of Fire Engine "Double Deuce" courtesy of Bruce "Double D" MacRae.

Park Estates HOA Annual Meeting

On Wednesday evening, I joined the Park Estates Home Owners Association for their annual meeting held at the Sound House Church. HOA President, Ted Brodeur, did his usual great job of fielding a multitude of audience questions. My presentation continued with the Q&A on topics ranging from homelessness to airport noise. Special thanks to HOA Treasurer, Dara France, for coordinating my attendance and presentation.

Bixby Hill Main Break Community Meeting

On Wednesday evening, Long Beach Utilities hosted a community meeting to provide an update on the Bixby Hill main break which caused a breach in the Los Cerritos Channel wall. The long-term objective of the department is to repair the wall. Debris removal at the site is complete, and the plan is to shore the wall and place a less intrusive security barrier while the wall design process is complete. The bike path is expected to reopen in two to three weeks. A copy of the meeting presentation can be found [here](#).

And Finally...

Let the Championship Celebration(s) Begin!

After Tuesday's "welcome home" celebration at the Pyramid, the NCAA Men's Volleyball Champs headed downtown on Wednesday for a parade and after party at Altar Society on Pine Ave. There is a 4th District connection in that Altar Society Brewing & Coffee Co. is co-owned by CD4 resident, Jon Sweeney. Enthusiastic crowds cheered all along the parade route and at the after party. The attached video provides a POV from the players' perspective as they entered the "gauntlet of supporters" to the pulsating beat of AC/DC's "Thunderstruck". Finally, I was happy to get a photo op with the NCAA Championship trophy. What a wonderful experience it's been to have photos taken (thanks to Mike Guardabascio) with the 2018, 2019 and 2025 trophies.
