**Long Beach Vendor Survey**
The City of Long Beach invites past, current, and prospective vendors to participate in a Vendor Engagement Survey to share their perspectives and experiences working with the City. Feedback from the survey will help the City identify barriers to contracting, improve vendor outreach, and design new solutions to increase contracting opportunities.

The survey is open to all businesses and organizations of any sector or size. Past experience with the City’s procurement process is not a requirement to participate in this survey. All responses are anonymous and will not impact existing or prospective business with the City.

The survey closes on November 12, 2021, and is available in English, Spanish, Khmer, and Tagalog. We are seeking your help in distributing this survey to businesses and organizations in your district via your e-newsletters.

City Shares Plans for Lincoln Park, Seeks Feedback

The Long Beach Department of Parks, Recreation and Marine (PRM) and the Office of Councilwoman Cindy Allen are inviting the public to see plans and submit feedback for downtown’s redesigned Lincoln Park, which is set to reopen in 2022. The park has been closed since 2017 for construction of the Civic Center complex.

Originally designated as Pacific Park in 1888 and renamed Lincoln Park in 1915 with the installation of the iconic Abraham Lincoln statue, Lincoln Park is the oldest park in the city. The new Lincoln Park, expected to open sometime next year, will be the finishing touch on the Civic Center complex that includes the recently rebuilt City Hall, Port of Long Beach headquarters and Billie Jean King Main Library.

An online public survey to collect feedback about the plans and programming for Lincoln Park also is available now in English, Khmer, Spanish and Tagalog. Printed versions of the survey also will be available at the Billie Jean King Main Library. Submissions will be accepted through December 31.

Plans for Lincoln Park are currently being highlighted in a brief video online and include the following features:

Rendering of proposed park.
• Abraham Lincoln’s original statue, along with a Lincoln penny sculpture
• Children’s discovery zone and outdoor classroom
• Dog park, with areas for both large and small dogs
• Fitness equipment and fitness loop
• Grass areas, open for seating and play
• Half-size basketball court
• Landscaping
• Outdoor reading room
• Playground
• Small skate park, with ground-mounted elements
• Updated restrooms

For more information about Lincoln Park, please contact Capital Projects Manager Tony Resendez, at 562.570.6258.

**REMINDER: The City of Long Beach is Seeking the Community’s Feedback for the Next Police Chief**

The City is inviting the community to let them know what they want to see in their next Police Chief through a survey, which will help guide the City’s selection process. The [survey](#) is available now online and hard copy format at all Long Beach Public Library branches (except Alamitos Neighborhood Library, which is temporarily closed for repairs), and will be available through Sunday, November 7, 2021.
