

Mills Act Schedule of Work

The City of Long Beach Historic Preservation Office is conducting a mandatory request for information to ensure completion of work program items, in compliance with the recorded Mills Act contract. Our records indicate that the some or all of the work associated with the contract is scheduled to be completed.

Please confirm all work that has been completed from the Mills Act contract workplan by completing the required documentation (please see the cover letter for detail).

Status of Work

Item No.	Building Feature	Detailed Description of Improvement Work	Local Hire (Y/N)	Scheduled Contract Year of Completion	Completion Year
