Funding Sources for Consolidated Plan

**CDBG**

- The **Community Development Block Grant (CDBG) program** is the City's most flexible funding resource and can be used for both housing and non-housing activities, including those that revitalize neighborhoods, promote economic development, and improve community facilities, infrastructure and services in low-moderate income communities. The City anticipates receiving $5.4 million each year.

**HOME**

- The **HOME Investment Partnerships (HOME) program** supports the rehabilitation, preservation, and development of affordable housing units, and rapid rehousing programs such as rental Security Deposit assistance to low-income residents. The City anticipates receiving $2.3 million each year.

**ESG**

- The **Emergency Solutions Grant (ESG)** provides funding for programs that support individuals and families experiencing homelessness. Funding helps operate shelters, provide essential services to shelter residents, rapidly re-houses homeless individuals, and prevent families and individuals from becoming homeless. The Department of Health and Human Services administers this program and anticipates $500K each year.
Goal 1: Create and Preserve Affordable Housing
- Constructed or rehabilitated 85 affordable housing units with 597 funded units underway.
- Provided 251 security deposits to low-income residents.

Goal 2: Support Activities to End Homelessness
- Provided overnight shelter to 1,708 persons.
- Provided 45,058 individuals assistance at the Multi-Service Center.
- Provided 37 individuals with rapid-rehousing services.
- Provided 133 individuals with homeless prevention services.
- Assisted 153 individuals through the Street Outreach program.
Goal 3: Eliminate Blight and Strengthen Neighborhoods

- Provided grants to 284 housing units for rehabilitation of exterior single and multi family homes.
- Inspected 15,408 units for code violations.
- Provided public infrastructure improvements in high-need areas and planted 1,186 trees in CDBG-areas benefitting 322,014 individuals.
- Provided assistance to 411,387 individuals through other Neighborhood Improvement programs, including Afterschool and Weekend Recreation and the Neighborhood Resource Center.
Current Five-Year Consolidated Plan Accomplishments (4 Years)

Goal 4: Expand Economic Opportunities
- A total of 4,019 businesses have been assisted through economic development activities, including Commercial Improvement Rebate Program and the Small Business Development Center (LBCC).

Goal 5: Promote Fair Housing
- A total of 6,615 individuals have been assisted with fair housing services, tenant and landlord counseling and housing discrimination complaints.
