

Volunteer Application

Welcome and thank you for your interest in becoming a volunteer for the Long Beach Public Library system.

Volunteering is such a rewarding experience and it gives you a chance to meet new people, explore new interests and make a significant contribution to your community! Volunteers work throughout the Library System. Opportunities range from a few hours occasionally to ongoing jobs which require specific skills and responsibilities.

The Long Beach Public Library Volunteer Program assists the Library in carrying out its mission to meet the information needs of our culturally diverse and dynamic population. The Library recruits volunteers of all ages on a continuous basis to assist staff with projects and to provide one-on-one customer service support at the Center for Adaptive Technology (CAT). The Library supports the Long Beach Unified School District's Service Learning Program by offering Service Learning volunteer opportunities for high school students. Volunteers work at all 12 Long Beach Public Library locations.

The Volunteer Program provides an opportunity for members of the community to:

- Fulfill service hours for high school, college, and for job applications.
- Enhance computer skills.
- Gain satisfaction in providing a much needed service to the community.
- Obtain experience in working in a business environment.

The Library's need for volunteers changes throughout the year.

Please complete and sign the volunteer form and email, mail, or submit to any Long Beach Public Library location. Be sure all the information is completed as this will assist us in matching your talents and interests with a volunteer assignment you will enjoy, at a time which is convenient for you.
