

## Curriculum Vitae (CV) Resources

Below is a list of resources you can use to create your CV. You can make it as visually aesthetic or as straightforward as you'd like. What's important is that the content and structure reflect who *you* are.

Have questions or want someone to review your CV? Email [kiana.martin@lbpl.org](mailto:kiana.martin@lbpl.org).

### **Adobe Spark ([www.adobe.com/express/feature/image/editor](http://www.adobe.com/express/feature/image/editor))**

Click "Edit your photos now" and then type "Resume" into the search bar on the lefthand side of the Adobe Spark dashboard. You'll find templates similar to Canva's. Free service.

### **Cake Resume ([www.cakeresume.com/en](http://www.cakeresume.com/en))**

Create your resume with a template or by dragging and dropping content blocks. This site allows for one free download.

### **Canva ([www.canva.org](http://www.canva.org))**

Free service.

### **Microsoft Word**

Use the template provided on the YPL webpage or any you like from Microsoft Word's free templates.

### **Pages (Word processor by Apple)**

Pages provides free templates.

Regardless of which service you use, please upload your CV as a Word document (.docx) or PDF. Thank you and good luck!
