

# **PUBLIC NOTICE** **TREE REMOVAL SCHEDULED**

This street tree is designated for removal as part of the Council Approved Public Works Improvement Project:

**ARTESIA GREAT BOULEVARD (R-7191).**

The Department of Public Works has inspected the condition and environment of the tree and determined that it warrants removal based upon guidelines set forth by the City of Long Beach tree removal policy.

The City of Long Beach understands the importance of trees to our neighborhoods and communities. This project will **ADD** approximately **400 NEW TREES** in place of the **REMOVAL** of **150 EXISTING TREES**.

This tree is being removed because:

- It has been determined to be hazardous, diseased, dying, or dead.
- or -
- It will be impacted by infrastructure improvements on City property.

The City has made the determination and plans cannot be altered to avoid removal. The tree will be removed if no written appeals are filed within a 10 (ten) working day period of the posting of this flyer.
