

# CONSTRUCTION NOTICE

## 702 W Anaheim - Emergency Shelter Improvements

The City's Contractor, Good-Men Roofing & Construction, is scheduled to begin construction in the area in April 2024 with a scheduled completion, barring weather or other unforeseen delays, by June 2024.

The improvements will:

- Improve infrastructure quality
- Enhance usability and useful life of the facility
- Improve energy efficiency

The contractor is scheduled to perform work **Monday through Friday from 7:00 AM to 3:30 PM**. Efforts will be made to minimize inconveniences to ongoing programs at the shelter.

Thank you in advance for your patience and cooperation throughout this project.
