ADDENDUM NO. 1

PLANS AND SPECIFICATIONS NO. R-6799 FOR THE STORM DRAIN SYSTEM MAINTENANCE AND REPAIR CONTRACT IN THE CITY OF LONG BEACH, CALIFORNIA

NOTICE TO HOLDERS OF PLANS AND SPECIFICATIONS

Please note the following changes:

- On page 10 of the General Requirements, in "Information Provided During the Bid Period", add the following:

"Questions must be received in writing by August 19, 2009."

Please see attached revised Plans and Specifications, page 10, reflecting the change.

These changes constitute ADDENDUM NO. 1. Bidders are reminded to initial the appropriate portion of the Bid to acknowledge receipt of Addendum No. 1.

GENERAL REQUIREMENTS

- Names of subsidiaries or parent company, if applicable
- Names of company owners and senior management team
- Resumes of proposed individuals that shall participate in providing services, including their title and years of experience.

NOTE: The bid cover letter shall be signed by an official authorized to bind the Contractor contractually.

Minimum Qualifications

The entity (“Prime”) submitting a Bid and its team (“Subcontractors”) must:

- Have (10) years of documented work experience in the maintenance and repair of a municipal separate storm drain systems equivalent to size and complexity of the City’s as described in the Description of Work to Be Done;
- Be registered in the State of California as a hazardous waste transporter and hold a hazardous materials transportation license, as well as a hazardous substances removal and remedial actions certification;
- Have a permit-required confined space program and permit system in place prior to submitting a Bid;
- Have current and valid State of California Contractors and Drivers’ licenses in place prior to submitting the bid;
- Have a valid Transportation Worker Identification Credential (TWIC™).
- Be able to have their project manager or his/her designee on-site within 30 minutes of notification of need. Any necessary equipment must be on-site within 1 hour of notification; and
- Have a developed and implementable Traffic Control Management and Safety Plan based on the State of California Traffic Manual or Watch Book.

PROOF OF THE ALL THE ABOVE MUST BE INCLUDED WITH THE BID PACKET. FAILURE TO INCLUDE PROOF OF MEETING THE MINIMUM QUALIFICATIONS WILL RESULT IN AN IMMEDIATE REJECTION OF THE BID.

Information Provided During The Bid Period:

The bidder may, prior to bid opening, request in writing from the City Engineer clarification of the Plans and Specifications. Questions must be received in writing by August 19, 2009. If the City Engineer, in the City Engineer's sole discretion, believes there is a need for clarification, the City Engineer will issue an Addendum to all prospective bidders. No verbal requests will be honored. No verbal clarifications can be given but, if any City employee makes any verbal statements, the bidder acknowledges by submitting a Bid that said employee had no authority to make such statement and warrants that the bidder did not rely on such statements.
